

## Enhancement – New Folder for blank DVS Documents

Now when you click on the DVS required documents on the right-hand side (red box), all blank docs will now fall under the VS1 Unsigned Template Documents folder (blue arrows). This keeps the forms separate from the ones you upload.

The ones you upload should be the ones that are signed by the applicant or yourself.

The screenshot shows the DVS application interface. On the left, there is a sidebar with sections for Demographics, VS-21A Applications, Lockout, and VS-21A Applications. The main area displays a list of documents under the 'Documents' tab, including 'Static (1)', 'Related Documents (0)', 'Veteran Related Documents (0)', 'Today's Documents (0)', 'VS1 Template Documents (3)', and 'VS1 Unsigned Template Documents (16)'. A blue arrow points to the 'VS1 Unsigned Template Documents (16)' folder. On the right, there is a sidebar with a list of actions, including 'Initiate Refund (VSO)', 'Benefit History', 'Create Agreement to Reimburse Letter', 'Create Authorization for Release Letter', 'Create BOR Authorization for Release Letter', 'Create VS1 Document', 'Create Document Packet', and 'Close VS1'. A red box highlights the 'Create Agreement to Reimburse Letter' and 'Create Authorization for Release Letter' actions.
