

3-9-94

(1)

1010 HRS. -

Michell 48220 @ BCI Lab #

Tires not ones - according to them these aren't tires, but haven't been on there that long. She called Comp. w/ tire codes were advised they were manufactured after 1st of year in Oklahoma & they haven't been on the car that long, nuts aren't even worn off. She will call back after hearing from C.

1100 -

Michell from BCI ↔ The tires on that car were not even manufactured until 3rd week of January.

1-800-543-7522 - Jeffrey W. Plotts

Tires

DOT# HYJKRCT034

Tires on there "COURIER" "ROAD KING"
P185/80R13 M+S

(2)

1110 HRS. - Jeffrey Plotts

Tires on Car now were definitely NOT manufactured until 3rd week of 1994 (#034 in DOT code)

No way to trace down individual tire where it came from.

Can sent tire prints that TR2000 would have made. ^{off receipt.}

TR2000 would be "TRIUMPH" Tire & would say "TRIUMPH" on side.

1125 AM - Michelle @ BCI - told to call Jeff & give FAX# for tread patterns on TR2000

Other info.

- District office of Firestone in Col. 614-847-0402
PAT MATTS - FAX# 614-847-0849

1150 HRS. - Michelle called back, advised she had further info. that the Road King tire isn't even sold by Firestone/Bridgestone/Mastercard Store, is sold @ "Dayton Tires & RUBBER" a subsidiary store.
