Our facility has everything your pet(s) needs for their stay here with us. That includes Blankets, Beds, Dishes, Treats and Food. We do encourage that you bring their own food only because a change in diet can cause an upset stomach. We do feed Pedigree adult food. PLEASE DO NOT PUT MEDICATIONS IN FOOD BAGS. SEE MORE INFORMATION ON OTHER SIDE.

You are more than welcome to bring your own things for them but we do ask you to please leave their food and water dishes at home unless they require a slow feeder bowl, that we do ask that you bring with you. Otherwise we will supply the necessary bowls for them.

Our kennels have private and spacious indoor and outdoors run areas.  
A big play area outside for your dog(s) to run 3-4 times a day at no extra charge.  
We have fresh air exchange throughout the building. This changes the air hourly.  
We have music playing at all times for the comfort of your pet.
