Wedding Day Amenities Checklist

Please check which of the following items on this checklist that you will want to use on your wedding day. Write on the blank lines the quantity of each item you'll be needing as well.

****Note: Everything you check on this list will be ready and available inside of the wedding venue for you to immediately start using. Most of our wedding items are stored off location, so it is very important that you let us know exactly what items you want from this list for your wedding day. We will not be able to get additional "off location" items for you on your wedding day. ****
