MALIBU CITY HALL

For more than 35 years, Habitat for Humanity of Greater Los Angeles (Habitat LA) has partnered with communities to build strength, stability, and self-reliance through safe, affordable housing. When disasters strike, Habitat LA is there to help families recover and rebuild.

Join Habitat for Humanity and the City of Malibu to learn about rebuilding programs and resources available to residents impacted by recent fires. Meet with the Habitat LA team to learn about available assistance and determine your eligibility for financial support as you rebuild your home.
