

ENLA NEWSLETTER

Summer 2023

SHOUT-OUT CORNER

Thank you to the

(specifically ARES LAX Northeast District) for coordinating and leading ENLA's Amateur Radio Training and Licensing in May and June!

Thank you to

for helping create and manage the new emergency volunteer link.

Thank you to

for partnering with ENLA for the October 19th Great Shakeout. If your organization is interested in participating, please reach out to Kayla at kayla@enla.org.

WHAT'S NEW

We are excited to announce that ENLA's website will have some new features! ENLA's goal is to share information and resources with as many individuals, families, and organizations throughout the County. The new features will provide useful links to information on natural hazards, mass violence incidents, pandemics, and homelessness. Individuals will also be able to easily sign-up for volunteer opportunities through our new LA Works link! If your organization would like to recommend resources to add to our website, please email kayla@enla.org.
