Dear Owner / Manager

My name is Adam Robson I am a dedicated Commercial Cleaner for a number of diverse commercial settings on the Gold Coast.

We have been working with businesses locally for over 15 years and are looking to take on some new clients.

I am making contact to see if you are happy with your current cleaner?

If not, let's talk more about our services and your needs.

We pride ourselves on strong work ethic, reliability, and commitment to delivering high-quality results.

We have proven track record of delivering exceptional service in accordance with industry standards and client expectations.

I look forward to speaking soon to see if we can start being your dedicated cleaner.

Kindest Regards,
Adam Robson
