

KING BENTLEY & QUEEN PORTIA-LOO (& SIMON)

KING BENTLEY *(To Queen)* Well my dear, hadn't you better go and start to get ready? You can't go out looking like a grot bag.

QUEEN PORTIA-LOO I suppose I *do* need to go to the manicurist, the chiropodist and the royal hairdresser.

KING BENTLEY I don't suppose you could fit in the plastic surgeon?

QUEEN PORTIA-LOO What was that, dear?

TOSSER He said you will look fantastic if you put a surge on

KING BENTLEY Enough, Tosser. I mean look at the rags she's turned up in, she looks like she works at wetherspoons (insert other places of work for relative audience members)

TOSSER But sir what are you talking about, she looks lovely

KING BENTLEY She looks like a Hobo

TOSSER ha ha - you're joking right?

QUEEN PORTIA-LOO Get over here (smooches up for a kiss)

KING BENTLEY Not right now (disgusted by the thought)
Look, I know what she is - we don't all get our first pick, some of us have to settle, right?

TOSSER Aw, no - You look really really nice my Queen

KING BENTLEY Tosser you don't have to be polite she looks really shitty

TOSSER Queen, why are you with the king, I mean that's not what I meant, I didn't mean it like that. I mean...Like - how did you meet?

KING BENTLEY look, it's really boring, you don't want to

QUEEN PORTIA-LOO i was working at After 8 club as an exotic dancer, while studying at bedford university, one of the leading collages in the area..... and Allen the king came in and i noticed a particular nasty rash on his scrotum

KING BENTLEY yes i had been caught short and had to take a dump in

TOSSER Some tall grass?

KING BENTLEY No, I wish. No, no. It was Wetherspoons, and I think i got the rash from a toilet seat

QUEEN PORTIA-LOO Anyway I rushed him to A+E at the L&D just after tea, and we waited 10 hrs to be seen.
The doctors said we were lucky

TOSSER Did they catch it in time?

QUEEN PORTIA-LOO Noooo. It was a quiet night, normally we would have to wait twice that. Anyway that's when I fell in love

KING BENTLEY And I was so jacked up on Ketamine that I asked her to marry me there and then. See boring, go on then on your way you

QUEEN PORTIA-LOO Oh thank you my little dumpling
(*she pinches **King Bentley's** cheek which he is not happy about*)
See you later tiger, grrr! Hehehee
