

GHASTHAG and FARIES AUDITION

GHASTHAG So! A party goes on and I'm not invited
They will soon learn I am not to be slighted
That Princess Beauty is but a child
It will be their own fault for making me wild
Toad or newt or slug or worms?
I'll turn her into something that squirms.
With this one I think I will have some fun.
They will all regret the things they have done
Ha! Ha! Ha! Ha!

(GOOD FAIRIES enter)

F. LIQUID Oh! pardon me I'm sure Ghasthag! you are such a bore

F. NUFF (To audience) She does so love to be dramatic If a little over emphatic

F. NONBIO Your plan I'm sure you have thought through
Unless perchance you misconstrue?

F. LIQUID True love and goodness are powerful tools
That we will use to see who rules.

GHASTHAG Good fairies you cannot revoke My spell – my real masterstroke A spell cast by another fairy
Cannot be broken – that's elementary

F. LIQUID But nonetheless we will have a scheme
To circumvent it with a dream.

F. NONBIO A dream of love that shall come true

GHASTHAG Is that the best that you can do? You forget my heart is made of ice

F. NUFF And you never have a bath – I've heard that twice!

GHASTHAG Argh! Evil am I - A soul of stone

F. NUFF All you ever do is moan!

GHASTHAG Our battle I shall win you see!

F. LIQUID (To the audience) Not if my friends will all help me!

GHASTHAG Friends! What? These ugly creatures?
Say goodbye to all your futures!

GHASTHAG Shut your cake holes! I'll be back too!

(GHASTHAG exits)

FAIRY NUFF Don't worry – so will we – Toodleoooo!
