

PRINCE & FAIRY LIQUID & FAIRY NUFF & FAIRY NONBIO

FAIRY LIQUID	Oh dear all of our plans seem to have gone astray We were sure that by now a prince would come this way
FAIRY NONBIO	We need a Prince to do his duty Or else it's the end for our Sleeping Beauty
PRINCE	Er Hum! Excuse me I might be able to help you
FAIRY NUFF	Thank you sir, but we don't need randos coming up here trying to steal people's parts.
FAIRY LIQUID	We cannot cheat - the curse will win
FAIRY NONBIO	Unless we find a prince without sin
FAIRY LIQUID	I searched in vain this land to find Her one true love who is gentle and kind
PRINCE	Excuse me, I am a Prince
FAIRY NUFF	That's enough outta you! We don't need idiots shouting stuff out, what do you think this is a pantomime? Shut it! Or I'll come down there, and give you what for mate!
FAIRY LIQUID	The time is near that she must arise But where is he who is wealthy and wise
FAIRY NONBIO	A prince – would that be so amiss? To wake her now with a loving kiss?
FAIRIES	<i>(Together)</i> Oh! where might we find a Prince?
AUDIENCE	There, there's a Prince, etc
FAIRY NUFF	A Prince, no don't be silly! Princes don't come to the Bushmead community hub.
AUDIENCE	Oh yes they do!
FAIRIES	Oh no they don't
FAIRY LIQUID	What - like, a real Prince?

FAIRY NONBIO Are you a real Prince?

PRINCE I am a Prince – that much is true,
I wear a crown, and my balls are blue,

Give me a chance and I will do whatever,
I'd be glad to help, on your great Endeavour

My fair ladies – I am Prince William of St. Evenage (*bows*)

FAIRY LIQUID Another Prince called William?

FAIRY NUFF Just another 'Bill' for the taxpayer.

PRINCE I am travelling around the world, because I keep having this dream of
a castle. I'm drawn to it, because my true love appears in the dream.
She's laying in the castle...

FAIRY NONBIO What!?

FAIRY LIQUID You know, I think we may have found him!

FAIRY NUFF What, this plonker? I'm not convinced.
If you are a Prince, show us your crown jewels!

(PRINCE unzips and the FAIRIES all crowd around, blocking the audience. PRINCE continues their lines, while whispered remarks go on during - such as "Yeah, it's alright" - "Prince Albert I'd say" You can say anything, just don't comment on size)

PRINCE ... And there is a flatulent Queen and a King. But they are all just
sleeping. Now I know this will sound ridiculous, but the Princess
seems to have hurt her finger...

FAIRY NONBIO Oh wonders be! Oh great delight!
We now have the man to fight

FAIRY LIQUID That Ghasthag will now meet her match

FAIRY NUFF And Princess Beauty will fill her snatch!
