

GHASTHAG & FAIRIES

GHASTHAG So! A party goes on and I've not been invited
Oh - What a shame, I fancied getting shite-ed
They've made me so mad. Their bones, I'll grind them!
At least I got *invited* to Epstein's Island.
Princess Beauty is sleeping, all snug and snoozing,
While they're sexed up, snogging and boozing.
I'll make them pay, I'm plotting and scheming
Look at me, I'm giddy - I'm practically beaming.
So continue to frolick and swap your lurgies
I hope you all get heartburn, with a side of herpes.
Yes, while you party and fake being all 'snooty'.
I'll put into action my plan for princess beauty.

(GOOD FAIRIES enters SR but there is only two of them)

FAIRY LIQUID Oh! pardon me I'm sure
Ghasthag! you are such a bore-
Wait, hang on – Isn't there supposed to be three of us?
Where's the girl playing Fairy Nonbio?

FAIRY NUFF You see... uh, how can I put this delicately... She's dead.
Yeeeeeah, a group of callous audience members coaxed her into
jumping off the theatre's Catwalk, with a highly inappropriate song.
But that's not in the audition pieces, so you missed that bit.
We haven't even had a chance to scrape her off the bit of set that she
landed on.

FAIRY LIQUID But- but- but- the script says "Three Fairies"... THREE! Not two. And-
and- and-... Great. Now I'm freaking out.

FAIRY NUFF It's fine... we'll make do with just the two tonight. Suck it up
buttercup.

FAIRY LIQUID No! We absolutely need another fairy.

FAIRY NUFF Well, just where are we going to get another fairy?

FAIRY LIQUID *(Panicking - then gestures to the Audience)* One of this lot will have to
do it. There's *definitely* a fairy or two here. This *is* amateur theatre
after all.

*(Pick someone from the audience, who will be **FAIRY NONBIO**. Get them up on stage and
give them a script)*

FAIRY LIQUID Ok, now go off and come on again, Ghasthag – give us our cue again.

GHAETHAG Yes, while you party and fake being all ‘snooty’.
I’ll put into action my evil plan for princess beauty.

(GOOD FAIRIES enters SR)

FAIRY NONBIO Oh! pardon me I’m sure - Gas Bag, you’re such- (**GHAETHAG** cuts **FL** off)

GHAETHAG It’s “*Ghasthag*”.

FAIRY NUFF Whatever.

FAIRY LIQUID I’ve got this, Fairy NonBio - pardon me I’m sure, Blag Hag you are such a... stupid head

FAIRY NUFF Okay - a couple things... *(Pulling LIQUID to one side)* firstly, occasionally it has to rhyme

FAIRY LIQUID Oh really, why?

FAIRY NUFF Because this is a pantomime

FAIRY LIQUID Oh - all right...

FAIRY NUFF Secondly... and this is *very* important... It’s an *Adult* pantomime. We’re literally unchained.

FAIRY NONBIO Yeah, watch - I’m going to flash my tits/dick and no-one will do anything to stop me!

FAIRY NUFF You’re turn, Liquid - give it a go! Try swearing!

FAIRY LIQUID ... Ploppers

FAIRY NONBIO Not quite what we were looking for...

FAIRY NUFF No - here, watch a master at work...

(to Ghasthag) ...Slag.

Okay - you try, but let go. Tell her how you truly feel. Go-on, no judgement.

FAIRY LIQUID Okay, okay... Rhyming and *adult*... Rhyming and *adult* (psyching

themselves up with the “rules”)
My name’s Fairy Liquid and I’m here to say
Slag bag-please come back another day (GHASTHAG says “It’s
Ghasthag”)
Another day, another hoe, another panto show
I’m reppin’ it right here - so don’t you kill my flow
And I’m on a roll - It’s Adult panto bro - sit your ass down! C’mon,
here we gooooo

Havin-thuh stamina to keep up with us
Listen-tuh this-an don’t kick up a fuss
Your minge is atrocious. It’s something to fear
I wouldn’t touch-it-post a thousand beers
So you want the truth? Let me hear you rhyme (*to audience - get
them to join in - go for as long as you feel is right*)
Ghasthag’s dick ain’t as big as mine
Ghasthag’s dick ain’t as big as mine
Ghasthag’s dick ain’t as big as mine
Ghasthag’s dick ain’t as big as mine
I want to see yours - post show time.
I don’t bottle knowledge, I spread it for free
Be scared of you? Nah - be scaaaared of me
Now hear us three.
Unrespectfully.
It looks like, ya need a bitch-ectamy.
Peace.

(*shaken*) I don’t know what that was... I don’t know where that
came from.

FAIRY NUFF Okaaaaay - that was better!

GHASTHAG This is just laughable. So how’s this for a rhyme
I can’t stand here and waste any more of my time
Good little fairies, you’ve had a go
But unfortunately, it’s nothing but show.
My spell is binding. That, you cannot revoke
You can try, but you won’t break my master stroke.

FAIRY NONBIO (*interrupting GHASTHAG*) Ha ha ha!

ALL except NONBIO What’s so funny?

FAIRY NONBIO “Master stroke” - I had one of those before coming to this
audition.
