

FAIRIES (& NANNY & PORTIA-LOO & BENTLEY)

ALL FAIRIES *(cooing over the cradle)* Ah!

FAIRY LIQUID Isn't she lovely

FAIRY NONBIO Isn't she beautiful

FAIRY NUFF She looks like a wrinkled potato

NANNY Yes, yes, well come on. Do your wishing stuff already - I've got a hot 8 inches that I'm desperate to put inside me, as soon as possible.
(beat) Hot dogs are my favourite.

QUEEN PORTIA-LOO *(scowling at NANNY)*
Fairies, please take no notice. Ever since she's started speed dating, everything else has to be just as fast - I went shopping with her the other day! It's in and out and over before you know it!

NANNY Unfortunately that's how all my *dates* end too.

FAIRY LIQUID Oh, we love christenings, don't we girls? So much happiness

FAIRY NUFF Yeeesss and so much... to drink!

FAIRY NONBIO *(look out to the audience)* Oh no! I've shagged most of these people already.

FAIRY LIQUID Please say only what the script says, Fairy NonBio.
Back to the matter at hand - We all can bestow one wish upon your daughter to help her through her life.

FAIRY NUFF We have come to bless you, with joys your whole life through.
I can give you wisdom - and *(rummage through pockets)* a laxative!
To help you poo.

(she waves her wand and sprinkles fairy dust)

QUEEN PORTIA-LOO Wisdom, oh Bentley, how wonderful

KING BENTLEY Yes, if only you were blessed with the same.

FAIRY NONBIO

My wish for you is simple
And will last your whole life through
I grant you love, to have and hold in everything you do - oh, and this
too!
(Pulls big dildo out a bag - and lays it in the cot)

FAIRY NUFF

We picked a winner here, they've brought their own props!
