

ETERNAL INK WRITING AGREEMENT

Your Name: _____

Today's Date: _____

Book Title (if known): _____

This agreement outlines the terms of service between Eternal Ink and the above-named client for the creation of a professionally written fiction, non-fiction, autobiography, or memoir. Our goal is to honor your voice, preserve your legacy, and create a beautiful book you and your loved ones will cherish for generations.

What We Provide

1. One complimentary first chapter, based on your 5–10 minute audio story—offered as a sample so you can experience the quality of our work before choosing a package. *This free chapter is not part of any paid package and does not reduce the total price of your selected chapter count.*
2. A personalized outline, after payment is received, drawn from your answers to our 18 thoughtful questions (and any additional stories you choose to share).
3. Professionally written chapters, 900–1,100 words each, based on your submissions.
4. Chapter-by-chapter delivery with the opportunity for edits and small changes.
5. A custom-designed cover, back and spine (if thick enough), tailored to your story and style.
6. Three printed copies of your completed book (paperback or hardcover—your choice).
7. Optional: Amazon paperback + Kindle eBook publishing, if you'd like to make your story available to the public.

Pricing

Please select the number of chapters you'd like to include by filling in the box. You can always add more later at the rates listed below. Most clients who start small end up expanding as their story unfolds. A 30- to 40-chapter book is often ideal for a full life story—even if you're in your 40s. The same goes for fiction—what begins as a simple idea often grows into something much deeper. We're here to help shape every chapter as your vision expands.

- ☐ 15 Chapters — \$1,500 — \$100 per chapter
- ☐ 20 Chapters — \$1,900 — \$95 per chapter
- ☐ 25 Chapters — \$2,250 — \$90 per chapter
- ☐ 30 Chapters — \$2,550 — \$85 per chapter
- ☐ 35 Chapters — \$2,800 — \$80 per chapter
- ☐ 40 Chapters — \$3,000 — \$75 per chapter

Additional Chapters:

Priced at the per-chapter rate of the next package tier
(e.g., adding chapters 21–24 = \$90 each)

Beyond 40 Chapters \$50 each
(e.g., adding chapters 41–50 = \$50 each)

To begin your full book project, we require a minimum payment of \$1,000.

Your initial payment of \$1,000 includes:

- Your complete chapter-by-chapter outline
- Your first 10 written chapters, based on your submissions.

No additional chapters will be written beyond Chapter 10 until further payments are made.

Flexible Payment Plan

Example: We understand that not everyone can pay \$3,000 upfront for a 40-chapter book. That's why we offer a straightforward and flexible payment option to help you move forward at a pace that works for you.

- Each additional \$100 payment = 1 completed chapter
- You can pay as you're ready—one chapter at a time or in larger increments
- Once the full agreed-upon payment is received, we will complete the remainder of your book without delay

Your Role

Before we begin the chapter recordings, you'll start by answering the 18 foundational questions—each one carefully designed to help you reflect on your life, uncover meaningful moments, and share the memories that matter most. You're also welcome to provide any additional stories, notes, or voice recordings that you'd like us to consider. These answers will serve as the inspiration for your personalized book outline and help us determine the structure of your work.

Once your outline is created and your package is confirmed, we'll begin writing one chapter at a time.

For each chapter, you'll provide a 5–10 minute audio recording, sharing stories, memories, and reflections related to that chapter's theme. The more detail you provide, the richer your story will become.

You may record at your own pace—but remember: The sooner we receive your recordings, the sooner your book will be ready.

Our Commitment to You

We're committed to working quickly without sacrificing quality. If you send us multiple chapter recordings in a day (up to 5 per day), we'll match your momentum and aim to return completed chapters within 24 hours—as long as there are no internet or technical delays.

If anything slows us down, we'll keep you updated daily so you always know where your project stands.

Writing Style

You have the choice to have your story written in first person (as if you're telling it yourself) or third person (as if someone else is narrating your journey). We can discuss which approach feels most comfortable and natural for you before writing begins. Please select which style you would like your story written in by simply filling in the box of your choice:

- ☐ First person
- ☐ Third person
- ☐ Ghost written, first person (*If you'd like your book or autobiography to be ghostwritten, that is absolutely an option. We'll write your story in your voice, and your name will appear as the author on the cover—as it should. Eternal Ink will remain behind the scenes, helping you tell your story as if you wrote it yourself.*)

Revisions

You'll receive each chapter as it's written and can request one round of edits per chapter. This allows you to clarify details, adjust tone, or add anything that feels important. Once a chapter is approved, we'll move forward to the next.

To keep the process smooth and fair:

- Major rewrites or multiple revision rounds may incur an additional fee (\$25 per chapter).
- We encourage clients to be thoughtful with feedback and avoid excessive back-and-forth that slows the project.

Refund Policy

Because this is a custom, time-intensive service, all payments are non-refundable once writing has begun. We put care and effort into every chapter and ask for your full commitment to the journey.

Publishing Option (Optional)

If you'd like your book or autobiography available to the world, we'll publish it to Amazon as a paperback and/or hardcover and create a Kindle eBook version at no extra cost. This is completely optional—you can keep your story private, or share it as widely as you choose.

And if your book starts to sell? You'll earn 50% of all royalties, and Eternal Ink will retain the other 50% for the writing, editing, and publishing services provided. This partnership keeps things simple, fair, and transparent. Fill in the box if you want to publish on Amazon:

☐ I want to publish on Amazon

☐ I don't want to publish on Amazon

Referral Program

Refer someone who purchases a **20-chapter book or more**, and we'll send you a **\$100** thank-you. There's no limit to how many referrals you can receive—help others preserve their stories while being rewarded for it. Just be sure they mention your full name and the title of your book when they get started so we can credit you properly.
