Jackson County Junior Stockmen Application

The Jackson County Junior Stockmen is a group of youth with a strong passion for the cattle industry. By applying you are doing so because you are interested in becoming a junior member of the Jackson County Stockmen Association. Please write an essay addressing the following questions.

JCSA & Cattle Industry Questions

1. What do you know about the Jackson County Stockmen's Association? 2. What do you hope to gain from being a Jackson County Junior Stockman? 3. Describe your interest in cattle.
4. From your experience, what do you see as the most challenging issue facing the cattle industry?
5. What are your ideas on how to address that issue?

Leadership Questions

6. Describe any team activities in which you have been involved.
7. Would you describe yourself as a team player, a supportive member of a team, a take charge leader or a watchful follower?

When your essay is complete you can email to kim.skomerza@gmail.com. Please feel free to call 541-621-2091 if you have any questions. We will be collecting applications and schedule interviews, hopefully by the end of the month.
