

Salute to Those Who Support Hillcrest through Their Service

We would like to acknowledge the service to our Hillcrest community the following current residents who have served on our HIA Board. As a self-managed community, this kind of service is crucial to our continued success as a great place to live. To these former board members, the eight current board members, and the many other volunteers who support our community, a big thanks!

FORMER BOARD MEMBERS

Alene Bell	Dave Hendrickson	Jim McClain
