We exist as a piece of the healing process for kids affected by sex trafficking. Phoenix Rising is a survivor-led organization; meaning, one of our co-founders is a survivor who has overcome the horrors of child sex trafficking in America. As a result, we connect with program participants on a personal lived-experience level.

One way we connect is through our *Care Kits for Kids* program where we remind kids in foster care they matter. We are collecting donations such as basic hygiene products, snacks, and activities for this year's duffel bag.

We need your help filling 200 duffel bags. You can make a monetary donation, purchase items from our Walmart Registry for Good, or purchase items for drop off at our office. We will be accepting new, unopened items August through November 2021.
