

# Week 4 Parent Guide: Teaching Kids the True Meaning of Easter

Easter celebrates the love of Jesus. Christians believe Jesus died on the cross and rose again three days later. His resurrection reminds us that love, hope, and new life are always possible.

## How to Talk About Easter With Kids

- Start with the simple story of Jesus.
- Focus on themes kids understand: love, hope, and new life.
- Encourage children to ask questions.
- Use stories and illustrations to help them connect.

## Family Discussion Questions

- What do you think Easter is about?
- Why do people celebrate Easter?
- What part of the Easter story do you remember most?
- How can we show love to someone this week?

## Simple Easter Traditions

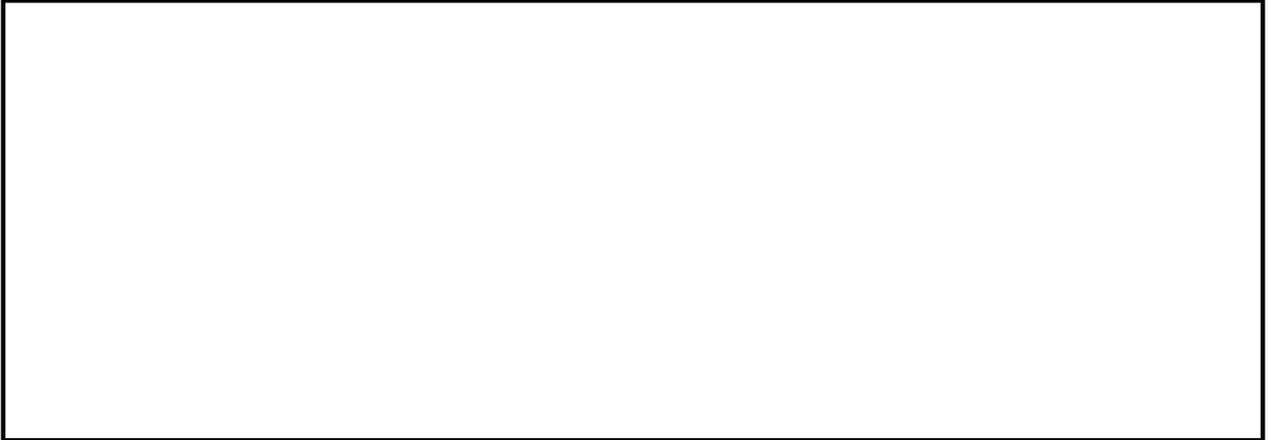

- Read an Easter story together.
- Create a scripture egg hunt.
- Take a spring walk and talk about new life.
- Do an act of kindness for someone.
