

Clinic App & Financial Solution

2023

Agenda

About Us

VISION

To empower people to bring their ideas to life through innovative software products and expert consultancy services.

MISSION

To innovate, develop, and deliver seamless digital solutions to the SME sector and beyond, through software products and consultancy services.

WHAT DEFINES US

Extract Solutions is a Digital Business Solutions Service Provider for:

- ❖ Logistics Company's Fleet Operations
- ❖ Fuel Station Operations
- ❖ Tank Storage Depot Operations
- ❖ Operations of Diesel Generators at Branches of the Banks
- ❖ Financial Management System for all Businesses
- ❖ Dental & Clinics Management Solutions
- ❖ Real Estate Operations Management System for Buildings/ Communities Development
- ❖ Inventory Management & Retail Operations Management of Retailers
- ❖ WordPress/ WooCommerce Websites

Why Us?

All in One

Product Development,
Cloud Services &
Product Support

Location Centric

Our Solutions support multiple branches/ locations

Multi-Lingual

Our Solutions come with Second Language Support

Innovation Centric

Consistent Innovation Cycle or On-Request Enhancements

Tailor-made Customizable

Customization based on User requirement

IEXTRACT SOLUTIONS offer unique Software Technology Designing, Implementation & Deployment as well as round the clock Operational and Maintenance Support.

It encourages & implements continuous development cycle for its clients by adding innovative features which may be needed in future or from time to time to support Client's operational needs.

IEXTRACT SOLUTIONS also offers expert consultancy services in Supply Chain Sector by providing Market Subject Matter Experts (SME) as well as Design Tech SMEs.

Why Us?

Modules

Features

Solution Details

Modules:

CAFS is a Clinic Management Application for physicians, dentists & pharmacies to manage clinic operations including Doctor's Appointments & Patient's Treatments, Prescriptions & Billing. Inventory Management is also available to manage stocks & help with procurement cycle.

Clinic Management software

- Patients Appointment scheduling
- Patient Medical records
- Examination/ Treatment/ Prescriptions, Billing & Invoicing
- Doctor's Consultancy & Work planning

Inventory Management System

- Products/ Suppliers Management
- Purchases and Vendor Payments
- Inventory stock Adjustments – Warehouse level Stock

Financials System

- Automatic System Vouchers for Transactions & Manual Vouchers (PV/ JV/ RV)
- Financials Reporting: Profit Loss, Balance Sheet, Trial Balance, Expenses Summary

Features

Examinations,
Treatment, Files &
Prescriptions

Cloud Based vs Offline

CLOUD BASED

Work anywhere with any device

Easy to support

Control Centrally

Consolidate Reports

Live reports

OFFLINE

Work only in that particular device

Limited Support

Control Separately

Standalone Reports

Need to send report to Head Office daily

User Authorization

User Management

- ❖ Multiple Users
- ❖ Multiple Roles
- ❖ Location wise user access
- ❖ Role based authorization
 - ❖ Specific user can view authorized screens
 - ❖ Specific user are allowed to perform View, Add, Modify or Delete transactions

eClinic Management System

The screenshot shows a login window titled "Log In". It contains two input fields: "User Name" with the value "admin" and "Password" with masked characters ".....". A blue "Login" button is at the bottom. A link labeled "Forgot Password" is located to the right of the password field.

Multiple Clinic Locations

Location Management

- ❖ Setup multiple Clinics
- ❖ Dashboard for each Clinic
- ❖ Authorization of Clinics for staff
- ❖ Reporting/ Transactions for each Clinic
