The American Driving Society, Inc. Code of Sportsmanship

Our sport of Carriage Driving has the valuable reputation of being welcoming to all, a sport where the welfare of the horse is foremost, and the thrill is in the partnership with our equines (regardless of the results). Protecting these ideals is of paramount importance to the health of driving.

In order for the sport of driving to prosper, our expectation is that every participant knows the rules, plays fairly, graciously accepts the final results, and always conducts themselves in a composed manner. It is the duty of all to behave in a manner that creates a positive environment.

Therefore, any infringement of the common principles of good behavior, fairness or good sportsmanship will result in disciplinary action. Sportsmanship infractions include, but are not limited to, the following:

- a) Abusive, or intimidating language at ADS Recognized Events.
- b) Refusal to accept Officials' final decisions.
- c) Intentional circumventing of the rules.
- d) Unsafe behavior while on event grounds.
- e) Damaging land or property.
- f) Actions detrimental to the welfare of the horse.
- g) Negative interaction with volunteers.
- h) The use of social media, or any public platform, to personally attack the character or reputation of fellow competitors, organizers, volunteers, or Officials.

We all have a duty to each other and to our sport to display good sportsmanship.

When our members display good sportsmanship, it not only makes driving more enjoyable for all, but presents a positive impression of the driving community to the general public.

Let us always do the right thing for our equine companions, our sport, and our fellow ADS members.

The Lorenzo Driving Competition gratefully acknowledges the generous financial support from our stable sponsors:

Triple Crown Nutrition and Purina Animal Nutrition, LLC.

They make it possible for the show to offer stabling at a lower cost per stall than what we pay our vendor. Thanks to these sponsors, we can take a loss on stabling without it impacting the bottom line of the show. We encourage you, our competitors, to acknowledge the Triple Crown and Purina representatives when you see them at the show.

General Rules & Regulations

The Lorenzo Driving Competition is recognized by the American Driving Society (ADS) and is conducted under the rules as published in the current 2025 ADS Rule Book.

1. The Lorenzo Driving Competition, Inc., the show committee, and the owners of property used for the Sunday Drive, will not be held responsible for any claim resulting from injury or injuries to any person, horse or pony or loss or damage to property incurred on the grounds, staging area or on the course of the Sunday Drive.

2. Entries close June 17, 2025. Closing date means entries must be postmarked on or prior to this date. *Due to scheduling constraints, entries may be limited in some divisions.* Late entries will not be listed in the program.

a. An ENTRY is defined as a combination of a horse/pony or horses/ponies, vehicle and driver, which has been assigned a specific entry number. Any change in this combination will be considered as a new entry. If showing the same turnout in a regular division and the antique division, one entry is required.

b. Competitor packets may be picked up in South Cottage from the Secretary on Thursday 7/17 from 1 p.m. - 5 p.m., or Friday 7/18 through Sunday 7/20, 7:30 a.m. to 4:30 p.m., ringside at the Secretary's Tent. Proof of negative Coggins certificate within two years of show date is required for NYS horses, within one year of show date for out of state horses. Proof of rabies vaccination within one year of show date is mandatory for each horse and/or pony entering the competition grounds. Proof of Flu/Rhino vaccination within six months of show date is required for each horse and/or pony entering the competition grounds. ADS Pony and VSE measurement cards required. (ADS 2025, Appendix GR-B)

c. The American Driving Society Disclaimer (provided in Prize List) must be signed by every competitor/participant including the driver and each person who rides with a driver on a carriage not only during the actual competition but including any time from arrival at the competition to departure. See Show Secretary for additional copies.

d. Every participant in the Lorenzo Driving Competition is responsible for having a knowledge of, and is subject to, the current ADS Rulebook. **All current ADS members will be required to pay a \$5 competition fee; non-members must pay a \$30 non-member fee.**

e. In case of horses/ponies being entered and not exhibited, entry fees will be forfeited unless a veterinary certificate is submitted prior to the start of the competition on July 18, 2025. **STALL FEES ARE NOT REFUNDABLE.**

General Rules & Regulations (continued)

f. The Show reserves the right to decline any entry and to return any fee before or during the competition without being liable for compensation. The Show reserves the right to combine, divide or cancel classes at its discretion.

g. The entry fee will be refunded if a class is canceled.

h. An entry MAY NOT switch from single to pair/tandem after July 1, 2025.

3. A grounds fee of \$20 per turnout is required with the exception of entries in the Grooms Class, Junior Drivers division, or a turnout competing in more than one division.

4. Any question or dispute not covered by these Rules and Regulations will be referred to the Technical Delegate and brought to the Judge or Show Manager for a decision.

5. A bridle with reins attached and passed through the saddle turrets must be in place when a horse is put to a vehicle. Failure to comply will incur elimination or disqualification (ADS 2025, GR Article 6.1)

6. Outside assistance is forbidden under penalty of elimination except in the case of an accident or to prevent an accident.

7. Wire-wheel vehicles are prohibited, with the exception of VSEs entered in the Junior Drivers Division. With prior approval of the Show Committee, antique type vehicles equipped with wheels having long wire spokes and hard rubber tires may be used (ADS 2025, PD Article 206.2).

A registered horse of a breed permitting horses to be 148 or under may show as a horse, but not as a horse and a pony at the same show. Multiple turnouts must be shown in the class or division which accommodates the tallest equine. Very Small Equine classes are open to any equine under 99 cm. Pony classes will be divided such that those 99 cm to less than 120 cm will be considered small ponies and those 120 cm to 148 cm will be considered large ponies.
