

PONZINI LAW, PC

This year Ponzini Law, PC and ProfitCentrix, LLC are teaming up with the organization, “Families for Families” in hopes of making a difference in the lives of families who are less fortunate, living in shelters or transitioning into their own apartments.

We will be taking a portion of our proceeds through year end and donating in hopes of following our belief of “Paying it forward”. We have been fortunate with our clients over the years and the referrals they have sent us. So we believe in the spirit of “Paying it Forward” we have chosen this organization since they are not specific to holidays, they also include such programs as adopting a student, clothing closet needs, furnishing great starts, and many more. Feel free to visit their site and donate directly, <https://www.families4families.com/>

In the spirit of giving thanks, we appreciate our clients and the years that you have entrusted us to take care of your legal and accounting needs.
