NOTE: The pool is open to all members (no charge for Regular Members and \$10 for Associate Members) during any of the designated sessions. The designated skill sessions are open to all regular members without additional charge (associate members must pay the designated guest swim fee) – they are introductions to some of the Specialty Dives and do not bring certification.

NOTE: The late spring and summer courses and completion dives are tentative at this time – for planning purposes. They may be changed if other dates work better for people – if you would like to see one or two changed, please let us know.

NOTE: There has been interest expressed in a Peak Performance Buoyancy course and we can arrange that if there is interest. The same holds true for a Dry Suit Course, a Night Diving Course and a Wreck Diving Course and other Specialty certification courses

NOTE: Due to the shortening days and the loss of light in the evenings, we will switch the Tuesday Dive Night at Atton's to the Saturday Dive Day effective August 20<sup>th</sup>.
