ABOUT US

INTRODUCTION

JENNA JUNIPER
President & CEO

Jenna Juniper is a National Speaker, Housing Consultant & Trainer based out of Phoenix, Arizona. Her passion for ending homelessness began at an early age and is the mission of her company. Throughout her 16-year career, Jenna has successfully partnered nonprofits and developers together, implementing critical and sustaining supportive services on low-income properties across the nation. Jenna's reputation as a premier compliance and affordable housing expert and trainer is well deserved. Jenna's charismatic and charming approach to etiquette training has helped many individuals become more confident and sophisticated in their professional careers.

Jenna is a graduate from DeVry University, member of the National Speaker's Association, and National Center of Housing Management. She holds over a dozen affordable housing designations and has more abbreviations after her name than a doctor. She is the founder and president of Housing Consultants of America formerly Paonessa Juniper Consulting and has helped countless professionals with all their operational, training, marketing and leasing needs.
