

THE HOPPER FAMILY GENEALOGY
DESCENDANTS OF ANDRIES WILLEMSZEN HOPPE(N)
OF NEW AMSTERDAM 1651-1658
The First Six Generations
 14 August 2015

by **Maria Jean Pratt Hopper, CG^[SM]**

It is the nature of all genealogies to be out of date almost as soon as they are printed as new information is constantly becoming available. In light of this, I use this format to periodically post any additional information or corrections to the first six generations. Some of the minor additions (preceded by an *) were made in the second, third and fourth printing. If you have any other additions or corrections, or information on the seventh and eighth generation Hoppers, please contact me at reetree@optonline.net

ADDITIONS AND CORRECTIONS

2 CATHARINA (TRYNTJE/CATRINA HOPPE(N)(R) - Thanks to some wonderful research by Pamela J. Sears, in her article "Thomas Frederickszen and Maritje Adriaens: Origins of the Cadmus Family in Amsterdam Revealed," in the October 2006 issue of *The New York Genealogical and Biographical Record*, [vol. 137 pp. 179-187], we now know that Catharina's husband **Frederick Thomase** was baptized in Amsterdam on 1 Sep 1647, as Fredrick, son of Thomas Fredericksz and Marritte Arijaens; wit. Hilletje Frerickts [Amsterdam Zuider Kerk, DTB 93:173]. Descendants of the Cadmus family should definitely check this article for more information on the European roots of the family.

59 GERRIT A. HOPPE(R) - He was likely the Garret Hopper who was taxed in Sep 1779 and Dec 1780 (though that would be his estate that was taxed as he died in April 1780) in Harrington Twp. Bergen County for 240 acres and 5 horses 10 cows and 6 pigs (1780 was similar with 4 horses and no pigs). He was listed on a page with other residents known to have owned property in what is now Upper Saddle River NJ. His son Andries G. Hopper, a grist mill owner was enumerated on the next line. (GMNJ Vol. XLI, No. 2, p.81) His sons Andries and Stephen are both buried in Upper Saddle River. (See #213 and #216).

115 MATTHEW (MATTHIAS/MATHEUS) HOPPE(R) - His widow married second Cornelius Voorhis, son of Stephen Janse (Voorhees). Cornelius' mother it would seem was **Cathryna (Catrijntie) Huyken** daughter of William Huyken and Annetje Andreias Willjard not Cathryna (Catrijntie) Van Duyn.

156 ANDREW (ANDRIES) HOPPE(R). Although he was declared intestate, two wills and a draft of a third were presented at the administration of his estate, which were all rejected. From those wills Elizabeth Guest Earl was his third wife and his second wife was a woman named **Mary _____**. From the New York Gazette of 6 July 1811, "Died at Bloomingdale on Monday last [1 July 1811] Mrs. Mary Hopper, in the 61st year of her age, wife of Mr. Andrew Hopper. ***159 JACOMYNTJE (JEMIMA) HOPPER** - The Horne Family of Bloomingdale Road, was written by P. F. (Field) Horne, not P. H. Horne

176 ABRAHAM H. HOPPE(R) is credited with building the Hopper house on the site where his son Henry later lived. "The A. H. Hopper House at 1 Nordam St. at the corner of Prospect Street, was built as a farmhouse in 1794 and although enlarged in the 19th century and reshingled in the 20th, still shows much of its original character." (Waldwick Then and Now p. 9).

**Abraham H Hopper House,

***200 ANDREW (ANDRIES) W. HOPPE(R)** (p.68) In some editions the words under the picture of the house are partially covered, they should read, "age 91, applied for a pension on 1 Feb 1843 in Bergen Co. which was granted on 20 Apr 1848,"

312 LAMBERT HOPPER - On closer examination of the actual newspaper death notice of Abbey Hopper in the *Plattsburg Republican* of 18 Sep 1813 she was 54 when she died on 13 Sep 1813 not 53 as reported in *10,000 Vital Records* - entry #4328)

On 18 Jun 1814, in the *Plattsburgh Republican* Lambert Hopper offered for sale "an excellent farm of 150 acres in the fourth town in Plattsburgh, . . . with a good framed house, painted inside an out; a good framed barn an excellent young orchard of one thousand trees just beginning to bear . . . For \$2,000, \$1,000 now and the other half in 3 years. 16 Dec 1815 - Same advertised price now \$2,500. (By 1820 he had migrated to Erie Co., NY.)

From his pension record, his second wife's name looked like **Lovica Moore**. Her tombstone in the Peru Village Cemetery reads: "Lovisa/Wife of/Lambert HOPPER/died Apr. 12, 1855/AEd 86 Y'rs 9 Mo./Dear Mother thou

hast gone to the mansions of rest./Where sickness and sorrow and death are no more. /Thou hast gone to enjoy thy God and the blest. /And I trust I shall meet thee on that happy shore.” Buried next to her was “Rebecca / daughter of /John & Lovisa /MOORE /died March 10, /1859 /Aed 50 Y’rs 10 M (NNY transcriptions). Since Rebecca Moore was 42 and living with Louisa Hopper in 1850, she was more than likely her unmarried daughter. Therefore Lovisa first husband was **John Moore**, and her maiden name is unknown.

In 1830 Lambert aged 70-80 was in Sheridan, Chautauqua Co. (near son Nathaniel) with one female 60-70 (assumed to be Lovica), yet in 1830 Lovica Hopper aged 60-70 was the head of the household in Saranac, Clinton Co. NY, with one male 15-20 and 1 male 20-30.

***695 JUDGE JOHN HOPPER** - his wife Mary A. Imlay Hopper died 6 Jul 1902 (*Paterson Morning Call*)

712 JOHN HOPPER, the son Paulus Hopper (#308) and Hester Dobs, was b. 26 Jul 1782, and bap. 9 Feb 1783 at Clk.RDCh. John Hopper is bur. in the Methodist Cem., Mooresburg, Liberty Twp. in Montour Co., PA. **His gs. clearly reads b. 29 Jul 1772 and d. 27 Jul 1861 aged 79 years.** (If he were b. in 1772 he would have been 89 years old, and from census records he would have been 79 so born in Jul 1782 as in bap. record.)

Thanks to Jim Estes who found the article in *Genealogical and Family History of the Wyoming and Lackawanna Valleys Pennsylvania vol. II*, on Frank Hopper, son of John Dobb Hopper, and grandson of John Hopper. Though "mug books" are often unreliable, and this article was in error as it said John was of German background and was born in Pennsylvania, the dates in the article appear to have come from a reliable sources, perhaps a Bible or other family records. From information in the article, compared with census and other sources, we have been able to identify seven additional children for John Hopper and now know the names of both of his wives.

His married first on 28 Mar 1803 "**Elizabeth Mertz.**" She was born b.16 May 1780 and died in 1820. (W & L p. 424.) She was probably Elizabeth Martz as his daughter Catherine's middle name was Martz, and in 1800 their were seven families with the Martz surname living in Northumberland Co., PA and no Mertz family, and in 1810 their were twelve Martz families and only two Mertz families. From the census records of her children, who were living in 1880, Elizabeth was born in PA. Elizabeth would have died on or after 20 Nov 1820 when their youngest son John Dobbs was born and according to the biography, John married second on 23 Jan 1821 **Mary Peet.** (W & L p. 424.) Marrying so soon after his first wife died seems rather quick, on the other had he had at least seven possibly nine children under 15, including a tiny infant, at the time. Mary Peet was born about 1789-1790 in References: Research of Karen Hopper Buckley (descendant of #1342) and Heasley Rook (descendant of #1343); and Jim Estes (husband of descendant of #1343a). 1840 PA Census, Liberty Twp. 723 MARGARET (PEGGY) HOPPER, dau. of Cornelius Hopper and Hannah Rockwell was b. 11 Mar 1797;* in NY and d. after 1 June 1860. The Bible record gave her birth date and only the surname of her husband.

Thanks to the research of Kari Northup we now know that like her brother Ira and later her sister Tarry she and her husband migrated to Jefferson Co. WI, sometime after about 1840 when their son David was b. in NY. She m. **Nathaniel Sanford** sometime after 1819 when her father's estate was settle and she was single. They probably married before 1820-21 when dau. Melissa was born - though because of the ten year gap between Melissa's birth and Ephraim's birth she could be a child of Nathaniel's from a previous marriage. From census records Nathaniel was b. abt. 1797-98 in NY and apparently died before 1 June 1860 when Margaret was the head of the household.

In 1850 living in Hebron, Jefferson Co., Wisconsin were Nathaniel Sanford, age 52, a farmer, Margaret, age 53, and and four children, and Ebenezer Hubbard 29, a farmer, all were b. in NY. By 1860 the entire family had moved to Kickapoo, Bad Ax Co. [later Vernon Co.], WI, where Margaret 62, occupation farming, (\$600 in real estate, \$200 personal) was the head of a household with son David 23, a farmer, and William Jag 34, a laborer. In the next house enumerated was her son Ephrem 30, a farmer, (\$800 in land and \$150 personal) and his wife Emelea and 3 children. Also in Kickapoo were son Ira a farmer (\$250 in real estate \$190 personal), and his wife Susan and 3 children living next to dau. Meliza (sic) Conant and her husband T. A. Conant, a farmer (\$200 in real estate \$175 personal) and their 3 children. Margaret could not be found in 1870.

ADDITIONS TO UNIDENTIFIED HOPPERS

Un-35 JOHN HOPPER of Harlan (sic) baker. From his wife **Elizabeth's** will da. 9 Apr 1849, she was not the mother of his children and she had married second **Henry Budelman**. Her will mentioned property she received from John Hopper in his will and children of her first husband: Mary E. Pool (Un-35-1) wife of Charles D. Pool and Hannah D. Hopper (Un35-3). In the petition to probate the will da. 24 Sep 1850 it stated that Elizabeth had died 23 Jun 1850 and both Mary E. and Hannah D. were infants living in Westchester Co., NY. From the 1850 census Mary was 19 the wife of Charles D. Pool and mother of John 4 mos old, and Hannah D. Hopper was 15 and living with them. All were b. in NY. [1850 Census West Farm, Westchester Co., p 308B. family #627; Will of Elizabeth Budelman - p.522 of Abstracts of Wills, Administrations and Guardianships in NY State, 1787-1835 by William A. D Eardeley at www.NewEnglandAncestors.org](p.275 of 4th printing)

Un-49 NATHANIEL HOPPER - b. ca. 1774-1784 enumerated in 1800 Chateaugay, Clinton County, NY as a head of household aged 16-26 living alone. (p.167, line 12) He m. **Amerrille** ___?___ before Sep 1815.

Plattsburgh Republican 16 Sep 1815 - Notice:"Whereas Amerrille my wife has refused to live with me, and has forsaken me and refuses being my wife. I therefore forbid all persons trusting or harboring her on my account; for I am determined not to pay any debts of her contracting after this date. NATHANIEL HOPPER, Plattsburgh, August 28, 1815. Probably related to #312 Lambert Hopper (1758-1833) who lived in Clinton Co. 1790 - ca. 1819, but not his son as he had a son Nathaniel b. in 1794 (gs). (p.275 of 4th printing)

Un-58 WILLIAM HOPPER - As posted in several paces on the internet: William Hopper was born in Rensselaer Co., NY on 31 Mar 1782 and died in Morrow Co., OH on 19 Mar 1868. (KC) From his gravestone in the Bryn Zion Cem., Mount Gilead, Morrow Co. he died 30 Apr 1868, aged 97y-7m-7d (gs.) which would compute to a birthdate of 23 Sep 1770.? (The image of his tombstone is quite clear on Find A Grave #101080758.) Where the first dates came from is unknown, possibly from a baptismal record in Rensselaer Co., for William Hooper son of **William Hooper and Eunice Leonard** who was b. 31 Mar 1782 in Rensselaer Co., NY, and bap. at the Schaghticoke, Reformed Dutch Church in Rensselaer Co., NY. The church records give the same birth date as in family record with no date of baptism, his father's surname was given as **Hooper**, likely a transcription error. There was no William Hooper enumerated in New York in 1790, however, William Hopper was nearby in Argyle, Washington Co., New York, with 2 males over 16, 3 males under 16 and 4 females in the household. William and Eunice also had a son Isaac b. 5 Jan 1779 baptized at Schaghticoke. It is hard to say if he is the son of William and Eunice or some other especially as from census records 26-45 in 1820 (b. 1775- 1794) he was 64 in 1850 (b. abt 1786) and 85 in 1860 (b. abt 1775)!.

William m. **Elizabeth Faulk** who was b. abt. 1791-98 in PA. [Rose Berg had b. 30 Dec 1790 in Northumberland Co., PA] In 1800 a William Hopper was in Augusta, Northumberland Co., PA age 16-25 with 1 female age 10-15. In 1810 William was also there aged 26-44 with 1 female under 10. In 1820 he was in Upper Mahoney also in Northumberland Co. age 26-45 with a female 26-45 and 1 male 0-10, and 1 male 10-16, and 2 females 0-10. In 1850 he was in Congress Twp., Morrow Co., OH, age 64 a farmer born in NY with no land valuation, with him were Elizabeth 52, Lucy 22, Hetty 20, Elizabeth 18, and William 21 (all b. PA.) In the next house was their son Elias Hopper 23, his wife Mary and dau. Martha E. 1. As all except William were born in PA they must have just recently moved to OH. In 1850 their son John Hopper was in Lincoln from the birthplace of his children he had been in OH at least 4 years. In 1860 William was 85 (a hotel keeper) and Elizabeth was 69 liv. with Lucy Ann 30 in Congress, William had \$1,500 in real estate and \$100 in personal account. According to an e-mail posted to the Morrow Co. Mailing list he was the proprietor of the Williamsport Hotel.
