

ApCHA Hall of Fame Inductee

Elizabeth "Liz" Kincaid

Born and raised in Texas, Elizabeth "Liz" has owned Appaloosas off and on all her life. She bred, raised, promoted and is standing GAY BARS SILVER a 4 time Appaloosa Cutting horse Champion at her facility; T.O.P. Appaloosas. "Silver" himself is a blue ribbon sire.

Liz served as Secretary for the ApCHA for two years, then as President for 4 years. She is again serving as Secretary/treasurer (2013-2014) and is also passionate about seeing the Appaloosa Cutting Horse Association grow in memberships and entries.

*Liz,
SURPRISE!!!*

Liz was not aware she had been inducted in the Hall of Fame. Since she is on the current Board of Directors, Candice Holland and I wanted to surprise her with this nomination to the ApCHA Hall Of Fame. Liz has done a tremendous amount to work for the ApCHA and has kept this association alive for many years. We wanted her to be recognized for her tremendous efforts.

Liz has the biggest heart of anyone I have ever met. Anyone who has met Liz knows how passionate she is about the ApCHA and living life. She has been a great leader and an invaluable mentor to me. I feel very privileged to serve with Liz on the Board of Directors and call her my friend. Congratulations!

~ Dannica Perceovich, ApCHA President

ApCHA Hall of
Fame Inductee

Robert Bjorkman

Robert Bjorkman has had a tremendous influence on the Appaloosa Cutting Horse Industry and has done his part to garner respect for Appaloosas in NCHA competition. Bjorkman has always promoted and supported the ApCHA and you will always find some great horses in the cutting classes that Bjorkman is promoting or has raised and sold from his program.

In 1997, Bjorkman raised a brown and white stallion, Earthquake Ike, by cutting, reining and cow horse performer San's Hap McCue, an ApHC grandson of Peppy San with multiple Appaloosa Cutting World Championships and an NCHA Certificate of Ability (COA).

Earthquake Ike is out of the Doc's Subscription daughter Suescription, also a Champion Appaloosa cutter. Earthquake Ike followed the family tradition by claiming multiple Appaloosa Cutting World titles and an NCHA COA, and has also sired several money-earners.
