Statement of Understanding

Please read and initial each statement.

I, _____ do understand...
(print your name)

X_____ The graduation robes are not provided by MCT. (If your church chooses to host their own graduation you are responsible for your own robe.)

X_____ There is a \$100.00 late fee on the Student and Administration fees if total of each fees are not received in the MCT Home Office by the due dates listed in the Student Catalog.

X_____ I should not wait until due dates of Student and Administration fees to pay them, but I should pay periodically on said fees.

X_____ MCT has religious accreditation, not secular, and I will not receive a 1098-T tax receipt for education. I will, however, receive a tax letter from the MCT satellite extension host church for the giving of finances toward my religious education, which should be tax deductible.

X_____ If I try to bypass the satellite extension administrator by sending fees (i.e. tuition, curriculum, student or administration) directly to the MCT home office, I will receive a receipt and thank you letter for donating to the Haitian Ministry of MCT.

X_____ If I am an Associate or Bachelor student of MCT, then I MUST serve a 30 hour internship for the pastor of the hosting church of the MCT satellite extension (at said Pastor's discretion). If I am a Master student I must submit a 50 page thesis along with a \$100 reading fee. If I am a Doctoral student I must submit or 100 page dissertation with a \$200 reading fee.

X_____ I understand that no curriculum will be emailed to me until 3-5 days after my payment has processed. If I receive curriculum from any other source or email other than josh-palmermct@yahoo.com this curriculum will not be accredited or accepted as MCT curriculum.

X_____ I understand that my diploma will not be released until (at least) 2 WEEKS after ALL my fees and obligations are met and cleared.

X_____ I understand that my procrastination is not your emergency.

I have read, initialed, I understand and agree with each of the statements above.
