### April 2023 Membership Newsletter

Welcome to the 2023 fishing season! The Timberline Fishing Club leadership has undergone some changes. Steve Ward and Ron Curry decided not to pursue another term in office as our Chairman and Secretary/Treasurer. In their place Larry Kastner and Tyler Walker were elected to succeed them and join the other members of the board.

First of all, we all owe a great deal of gratitude to both Steve and Ron. They served the club with dedication and commitment while guiding the club through some turbulent waters. We appreciate the years of devoted service they provided and their foresight in solving the problems on the horizon. They have left their leadership positions in excellent standing.

As your new Chairman, I will do my best to uphold the high standards of sportsmanship, camaraderie, and fellowship that our club was founded upon. Enjoy the 2023 season. I look forward to seeing you all at the lakes!

Larry Kastner  
Chairman

#### **GATE CODE IS ON YOUR MEMBERSHIP CARD - KEEP IT IN YOUR POSSESSION**

New this year: both member & guest hanging mirror vehicle placards.

Vehicle placards should be hung from your vehicle rear-view mirror & displayed at all times.
