

# C-TOWN PRIDE

WHERE COMMUNITY MEETS COMMITMENT

Thank you to everyone who joined our March Booster Meeting! The energy and support from our Chandler Football family continues to set the standard. As we continue to prepare for an amazing season, it's clear that our strength comes from the collective commitment of our parents, players, coaches, and community. From fundraising efforts to volunteer opportunities, every contribution plays a role in building something bigger than football. Together, we are creating an environment rooted in pride, connection, and purpose and are honored to elevate the Chandler tradition and set the tone for what's ahead.
