
Single and looking to build a happy, lasting partnership?

Based on Dr. John Gottman's New York Times bestseller, *The Seven Principles for Making Marriage Work*, "Lessons in Love" is for single individuals looking to build a happy, healthy romantic relationship.

Learn essential skills to make your next relationship a successful one with this new singles workshop.

Individuals who are single or in various stages of dating will learn how to apply the Seven Principles to romantic connections, gaining essential skills to build their best relationship yet to come.
