February 2020

Dear Friends,

For almost 50 years the Heineberg Community Senior Center has been offering programs for participant's minds, bodies, and souls; and we are still going strong today! In the past two years, we have doubled our programs and activities while increasing participants and participation.

Our Center is thriving as more community members 50+ enjoy our many programs for improved health and wellness. Hundreds of participants depend on our Center and look forward to time with us for a warm meal, physical activity, thought-provoking presentations, strategic games, and friendship. We have something very special at Heineberg Community Senior Center and it keeps getting better!

However, with growth comes challenge. Along with an increase in activity, we are experiencing greater building and grounds, staffing, and program costs. We celebrate our growth and will respond by maintaining a diverse funding mix to ensure long-term sustainability and independence.

We are incredibly grateful for the financial support we receive from the City of Burlington and a variety of community groups. As impactful as this funding is, we also rely greatly on fundraising efforts like this annual appeal.

I have a great deal of pride and love for our Center, and I know you do too. Thank you in advance for any contribution you can make to help us keep the momentum going! As always, we are truly grateful for our participants, volunteers, donors, and community partners.

Thank you for being an important part of our Heineberg family!

Gratefully,

A handwritten signature in black ink that reads "Beth Hammond". The signature is fluid and cursive.

Beth Hammond, Executive Director

Who we are

We are an independent non-profit community senior center, open to the public (age 50+).

We have two part-time staff members, a dedicated Board of Directors, many hardworking volunteers, and the best participants around!

What we do

We offer free and donation-based physical, mental, and nutritional programs to feed your mind, body, and soul. **Currently we serve over 650 community members** through the greater Burlington area from all socioeconomic backgrounds.

Our funding

As one of the very few independent senior centers in Vermont, we are not fully funded by or connected to any organization. We do not charge membership or activity fees. Therefore, we rely on a variety of funding sources to remain self-sufficient.

We are incredibly grateful for the support we receive and make the most of all donations by careful budgeting and thoughtful partnerships.
