Telehealth Appointments
At

 **Heineberg**
Community Senior Center

Confirm email address

If you do not have email, call us at the Center (863-3982) and we will help you create an email account.

STEP 1

Email Address

Username

Password

NOTE: You may receive a request from UVM Medical Center to do a test telehealth appointment. You can tell them it is not needed as you will be at our Center.

If this is your first telehealth appointment, please schedule a time to practice with us.

STEP 2

Call UVM Medical Center
Registration to give them
your email address
802-847-2830

Make Doctor's Appointment

Call your doctor's office to make your appointment. Share with them it will be a telehealth appointment at the Heineberg Community Senior Center

STEP 3

Appointments should only be made when we are open...

Monday – Friday 9:30am – 3:00pm

Note: Telehealth appointments at our center are not for communal illnesses. Our check-in protocols and screening questions will apply.

Appointment day/time: _____

STEP 4

Call Heineberg Community Senior Center 802-863-3982 Ext 1
As soon as possible

To reserve your telehealth room at our Center

**Receive email from UVM Medical Center Confirming
your appointment – save email**

STEP 5

Please arrive at our Center (14 Heineberg Road) at least 15 minutes before your appointment
