

What can the Riverland West Chamber of Commerce (RWCC) do for your business?

The RWCC has been created to actively promote and support business development in our beautiful region.

The RWCC covers the area from Blanchetown, Morgan, Cadell to Waikerie.

The Chamber is a membership-based, not-for-profit organisation that draws confidence from the involvement of its members to enable business retention and growth in the Riverland West region.

By joining the RWCC, you are supporting the overall growth of the Riverland West.

When local businesses join together to form a chamber, they not only support each other, they support their region.

“Work Together, Grow Together”

They make it possible to generate projects that:

- Promote the Riverland West and bring increased visitors to the region
- Support the continuation of events
- Bring reduced/free training opportunities to the Riverland West.
- Give local businesses a voice.
- Encourage people to buy local
- Increase the vibrancy and prosperity of our townships
- Allow members to support members

KEY GOALS:

*Membership, Communication & Advocacy,
Events & Promotion, Partnerships,
Business Support*

What are your Direct Membership Benefits?
