

PMI Global Inc.

Your global metal tubing and pipe source.

PMI Global Inc. is a global resource for metal tubing and tubular components. We are proud of our numerous affiliations with mills in North America, Europe, and Asia allowing PMI Global to provide our customers with a variety of sourcing options including domestic and low-cost country produced metal tubing. We have experience in various materials and multiple products using tubing and fabricated tubular components.

Our specialty is tubing. We represent producing mills for structural (HSS) steel tubing, mechanical (ERW and DOM) tubing, galvanized tubing, titanium, cupronickel, duplex, nickel alloy, stainless steel tubing, aluminum, and seamless (HFS and CDS) tubing. We also provide a very competitive option for fabricated tubular and bar components. Call us today (815-793-7363) to see how we can assist you with your tubular product needs.

TUBULAR PRODUCTS

Welded and Seamless Tubing

Carbon ♦ Alloy ♦ Stainless Steel ♦ Titanium ♦ Nickel Alloy
Cupronickel ♦ Duplex ♦ Admiralty Brass ♦ Inconel
Hastelloy ♦ Monel ♦ Aluminum ♦ Other Materials Available

Mechanical (ERW and DOM) Tubing
Structural Steel (HSS) Tubing ♦ Heat Exchanger, Boiler, and
Condenser Tubing ♦ Coated (Galvanized and Galvannealed)
Tubing ♦ Hot Finished and Cold Drawn Seamless (CDS) Tubing
Stainless Steel Tubing and Pipe
Fabricated Components

PMI Global is a multinational tube and pipe provider. We strive to provide our customers with world class options through our domestic and foreign mills.

Our product lines cover both welded and seamless tubing and pipe products in ferrous and non-ferrous metals.

ASTM A500 Structural Steel Tubing (HSS)

Drawn Over Mandrel (DOM) Mechanical Tubing

Electrical Resistance Welded (ERW) Mechanical Tubing

Galvanized and Coated Tubing and Pipe

Stainless Steel Tubing and Pipe (Welded and Seamless)

Specialty Alloy Tubing (CuNi, Titanium, and others)

Cold Drawn Seamless (CDS) Mechanical Tubing

Hot Finished Seamless (HFS) Mechanical Tubing

Aluminum Tubes and Extrusions

PMI Global also supplies fabricated tubular components including cutting, bending, drilling, and other advanced fabrication.

Products for **Heat Transfer** applications including mill and cut length tubes as well as u-bent tubes, finned tubes, turbulators and ferrules.
