VIP Israel Tours & Ezra International present the “My People Israel” Tour for Women

I will bring back the captives of **My People Israel**; They shall build the waste cities and inhabit them; They shall plant vineyards and drink wine from them; They shall also make gardens and eat fruit from them. I will plant them in their land, And no longer shall they be pulled up From the land I have given them, "Says the Lord your God." *Amos 9:14-15*

Tour Dates March 3rd to March 14th 2024

Sunday March 3rd 2024 Depart from Boston
International Flight Included

Our Objectives:

- To appear before God in Zion (Psalm 84:7)
- To understand the return of the Jewish people to Israel (Amos 9:14-15)
- To learn about the restoration of all things with worship and pray (Acts 3:20-21)
- To comprehend how the Church is grafted in to the House of Israel (Romans 11)
- To learn from daughters, mothers, wives, widows and women who are part of God's Plan (John 11:28)

Our Teachers:

Rev Gary Cristofaro

He was in Middle School when he was assigned to write a book report, so he found a book with something about Babi Yar in the title. This pre-teen boy learned about the massacre of the Jewish people in Kiev during WW II, and thus started his love for the Jewish people, his understanding of their eternal homeland Israel and his involvement in the great rescue work of the Jewish people today. He became involved with Ezra International in 2003 after pastoring churches. Carrie calls him "The Pastor of Hard Things" because of his compassion, kindness and wisdom toward God's people – Israel and the Church – in all their complexity and glory.

Dr Carrie Franke

Carrie is a story teller and teacher in print and in person. Wherever she goes, she teaches and writes about Israel, the Jewish people, Judeo-Christian relations and the Holocaust. She loves to connect women to the word of God to mine gems of understanding about women and Israel, themes that are found throughout the Bible. The reward? To see lives transformed in real time! Carrie has served Israel since 1999 and Ezra International and Ministry to Israel since 2017. This will be her 44th trip to Israel.

Nosson Shulman

Nosson is our Israeli guide who will narrate and coordinate our trip. He is an expert in off the beaten track sites and writes about them on his popular Blog. Nosson is an observant Jewish husband and father, who made Aliyah from Canada. His enthusiasm for sharing his knowledge of the Bible, history of Israel and connecting it all with current events brings stories to life. He is a frequent guest on Gary's TV program on Israel TV Network, It's All About the Aliyah.

It is the tourist's responsibility to make sure that they have the proper and up to date documents needed to travel to Israel. Also, it is the tourist's responsibility, at their own expense, to make sure they arrive in Boston with enough time to board the flight from Boston to Tel Aviv on March 3rd, 2024. Anyone who misses their flight will not be entitled to any refunds or reimbursements for any part of the trip.

Flight times are subject to change without advance notice. We are not responsible for changes and delays in airline schedules, and we do not reimburse passengers for expenses resulting from delays. Because airlines often change flight times and dates at the last minute, VIP Israel tours strongly recommends that if passengers are purchasing any connecting tickets, they should be able to be changed without heavy fees or penalties and leave ample time for delays. If airline(s) change flight schedules, we reserve the right to lengthen or shorten the itinerary accordingly, and whenever possible, you will be notified in writing. If changes necessitate extra overnights in Israel, you will be charged (per person, per night) US\$180 for double occupancy, or US\$360 for single rooms.

All entrance fees to sites listed in the program are included in the overall price. Although we will make every effort to visit all of the sites on the itinerary, we cannot guarantee that we will visit all of the sites on the itinerary (and that will not be grounds for cancellation or refunds). For example, if sites are closed for renovations (or due to workers strikes), the group is moving very slowly, weather doesn't permit, road closures or any other reason, we may have to alter our itinerary at times, but of course we will try our best to do the entire itinerary in good faith and our confident in our abilities to do most or all of it.

AIRLINE ARRANGEMENTS from BOSTON (Edward Logan International Airport) to Tel Aviv are included in the full tour price. Air Transportation will be economy class aboard regularly scheduled carriers utilizing non-refundable, non-transferable, non-amendable tickets. Once your ticket has been written, it cannot be transferred, rewritten, or refunded.

As of now, airline tickets are available for the above-mentioned flights, but they need to be booked ASAP to ensure accessibility. Anyone who doesn't book immediately risks not being able to take the flight and will be responsible for getting to Israel on their own. In that case, \$1050 would be deducted from the fee (i.e a person booking their own flights will pay \$1050 less from the total touring fee), but they will be responsible to book their own flights at their expense. If the flight you choose ends up being more money than \$1050, the tourist will be responsible for paying the extra amount out of their own pockets. The tourist will also be responsible for meeting up with the group. If the tourist ends up arriving earlier than 20:15 on March 4th, they will be responsible to pay for their own room and board as needed. until they meet with the group. If they arrive after the start date (for example, they only arrive March 5th or 6th, etc), they will not be reimbursed for the costs of the lost days.

Upon receipt of payments, there are no refunds for any reason including (but not limited to) illness (whether personal or of a family member), personal tragedies, closures of airports, war, strikes, airlines going bankrupt, or any other reason. Therefore, we HIGHLY recommend all tour participants sign up for cancellation insurance which protects (and reimburses) you in case you are unable to make the trip for any reason. We highly recommend you take out the insurance very quickly either before signing up for the trip

or very soon after (in order to receive coverage, most insurance companies have a time frame regarding how long you have to sign up after paying the deposit. It is the tourist's responsibility to make sure they get the proper cancellation insurance, to ascertain the time frame they must sign out and pertinent details of the coverage they receive.

In addition, we highly recommend every tourist signs up for medical insurance with coverage for the full duration of the trip which covers medical emergencies, injuries, illness, hospitalization, medication, and any other health services one may need while in Israel (usually doesn't include pre-existing conditions). It is each tourist's sole responsibility to arrange for their own insurance coverage. VIP Israel tours takes no responsibility and assumes no liability in case of injury, illness or hospitalization. It is highly recommended that each tourist signs up quickly upon payment of deposit in order to ensure maximum coverage.

The tour price does not include lunches, health insurance, cancellation/travel insurance, cell phone plans, air plane tickets to get to Boston, excess baggage charges and anything else not mentioned above as being included. Although two meals a day will be provided, extras which hotels and restaurants charge extra for like wine, sodas, laundry and other services are NOT included in the price.

For any questions about Israel, all tour participants are welcome to contact me anytime at Nosson Shulman at ns@guidedtoursofisrael.com. To pay the deposit, and secure your spot on the My People Israel Tour. [Click Here](#).
