

Request for Emergency Funding

2020-2021

Bridger PTA has created an emergency fund to support our community through the challenges posed by the COVID-19 pandemic and continuing racial injustice. These funds are available by request, on behalf of, or by, the family of any Bridger student. In order to request funding from the Bridger PTA, please fill out this form about your need and send via email to bridgerpta@gmail.com. This is NOT a reimbursement form, it's just a request form. The request will need to be approved by PTA board/membership before funding is granted.
