

# Preschool News

Our last "Family Homework" was attached to the calendar/newsletter. Please fill it out for your child and send it back to school the week of May 5th. Thank you!

How sad is it that this is our last month of preschool for the school year? We have been so blessed this year with gifts of snacks, glue sticks, and baby wipes from the community, from the church and from parents. We cannot thank you enough. Thank you so much for all that you do for us and for our program. The support we received from you guys with our Fundraisers was tremendous this year! We are also so thankful for not having to close our school because of any covid related illness or quarantine.

## May 3rd through the 7th is Teacher Appreciation week.

We have sent home a "Thank you Teacher" form with all our students. If you would please fill this out with your child and bring it back to school during Teacher Appreciation Week our teachers will really appreciate it.
