Little Free Library Application

In order to encourage reading in Carbon County, the Carbon County Library Foundation (CCLF) is offering a program to help establish Free Little Libraries in the communities of our county.

CCLF will reimburse individuals wishing to erect a Free Little Library in their community up to \$250 upon submission of the following application.

Name of person wishing to erect a Little Free Library.

Location of Little Free Library in Carbon County.

Please provide a drawing, photo, or web page of the design you will use for the Free Little Library.

We recommend the design be waterproof, be erected on a post cemented in the ground, have a clear door, and include an engraved metal sign supplied by the CCLF. This sign will state that the Free Little Library was sponsored by CCLF and to contact the local library if more books are needed. Ideas for your Free Little Library can be found at littlefreelibrary.org and through a google search.

It is important to make sure you have permission from the property owner before erecting a Free Little Library. Make sure to check with your local town if putting the Little Free Library at a park. Please attach a copy of the Memorandum of Understanding.

To receive your reimbursement, mail this application and supporting materials to the CCLF at the address above.

Thank you for helping us encourage reading in Carbon County, Wyoming.

Approved September 2018
