## Keynote Speaker

# Amy Gaines

Amy Gaines, Vice President of Product Management & Technology at Ellucian, brings over 15 years of expertise in innovative service to and product development within the Higher Education sector. Amy leads the product team responsible for supporting the student and employee lifecycle and is passionate about streamlining and simplifying the student experience.

Throughout her career, Amy has held impactful roles in both Services and Product Management. She has been instrumental in implementing new software across many different types of institutions, operationalizing comprehensive strategies to guide decision-making among Product Leaders, modernizing cloud service offerings, and transitioning Higher Education institutions to Ellucian SaaS. As a key leader for Ellucian's products, Amy is known for her commitment to customer satisfaction and transformation.

Amy holds a Bachelor's degree from Georgia College & State University and actively supports an elementary school STEM program in her home state of Georgia.

## CoHEsion Through the Decades

This conference event promises an evening of fun, food, and fantastic networking opportunities, all set in the classy atmosphere of The Rayleigh event venue. Here are a few things you need to know.

**Embrace Your Favorite Decade:** We encourage you to dress up in attire inspired by your favorite decade – whether it's the funky '70s, the bold '80s and '90s, or any era that resonates with you. While we want to have some fun, please keep costumes appropriate for this conference event. Our DJ will be rocking some decade tunes all evening to amp up the fun even more.

**No Pressure – Just Enjoy:** If dressing up isn't your thing, no worries! Just come as you are and enjoy the evening. The main goal is to enjoy some good food and have a great time while connecting with your peers.

**Share Your Memories:** We'd love to include your memories from past conferences in our event slideshow. If you have any fun photos from previous CoHEsion events you have attended, please send them to us at [board@cohesioncentral.org](mailto:board@cohesioncentral.org). Your snapshots could help us capture the spirit of our community and inspire others! We can't wait to see the creative outfits and engage in lively discussions with you all. Let's make **CoHEsion Through the Decades** an unforgettable part of our conference experience!

---

### Don't Forget Your University Swag!

As we gear up for an incredible conference experience, we're thrilled to remind you about a fun and engaging activity during lunch Tuesday– **the Logo Swap!** This is your chance to showcase your university pride and network with fellow attendees. Getting involved is easy! **Bring Your Swag** - whether it's a T-shirt, hat, pen, or any other branded item from your university, make sure to pack it in your bag. **Swap and Share** during the Logo Swap time at the beginning of lunch. Simply bring your item(s) and exchange them with fellow attendees. **Make connections** and use this fun activity to strike up conversations with others who share similar academic interests or backgrounds. You never know which new connection might lead to an exciting collaboration or friendship! We can't wait to see the array of university gear you all bring.

---
