Board of Directors Update

The Board met in Reno, NV in early February. Among the agenda items was the appointment of certain Board positions. Carole Wardroup was named as the Election Chair for 2015, Lynn Sosebee was named as the Vendor Liaison for 2015, and Jennifer Stillman was named as the Awards Chair for 2015.

The Board also discussed plans for the CoHEsion website. Last year we were excited to unveil an updated website. This year we will be working on updating our conference registration experience, our Solutions Exchange (where members can upload and download a variety of Banner solutions/code/documentation/etc.) and other member content. Stay tuned for more information in the coming months.

We would also like to share with you the updated mission statement for our organization:

Our members are knowledgeable. Our members are our greatest assets. CoHEsion provides opportunities for professional knowledge sharing and growth in a collaborative higher education community.

As always, we value your feedback. If you have any comments or suggestions, please contact us at admin@cohesioncentral.org
