Volunteer for a CoHEsion Committee

As many of you heard at our conferences in 2014, we have created a number of committees to increase member participation in our organization. Below you will find the descriptions of three of these new committees. We encourage all of our members to consider volunteering for one or more of these committees. This is your organization - we want you to participate!

Committee for 2015 Board of Directors Election

The Board of Directors Election Committee will play an active role in the selection of candidates for the Board of Directors. The first committee conference call will be scheduled in September. Duties include:

- Reviewing qualifications of Board of Directors nominees.
- Participating in interviews of the nominees.
- Selecting the three candidates to fill the open board positions.
- Presenting the slate of candidates during the fall CoHEsion Membership Meetings in Reno and Charleston for approval.

Volunteer Form

Committee for Banner Reports Card/Thermometer

This committee will be tasked with developing a process by which to evaluate Banner Product Modules. This may involve but is not limited to

- Creating surveys.
- Communicating with Ellucian Product Owners.
- Discussing information with institutional users.

As a volunteer of this committee, you will have the power to develop the process and the deliverable.

Volunteer Form

Committee for Membership

This committee is charged with developing a marketing strategy surrounding:

- New Membership.
- Expired Membership.
- Communicating successfully with current membership:
 - Materials.
 - Delivery method.
 - Message consistency.
 - Message frequency.

As a volunteer of this committee, you will review and suggestion alternate options for Marketing CoHEsion to Ellucian Institutions.

Call for Presentations Continues

We are still accepting presentation proposals for both CoHEsion Summit Reno and CoHEsion Summit Charleston. Help us make this year's conferences some of the best yet by giving a presentation or submitting a hands-on workshop. Share with attendees your success stories, your newly implemented processes, and 'lessons learned' in your area of expertise.

If you are interested in presenting and need assistance with a topic, check out our [Presenter's Resources](#) page for some great topic ideas.
