Greetings!

Call for Presentations is Now Open!

The Conference Program Committees are already hard at work preparing for CoHEsion Summit 2017 with two great locations - Baltimore, MD October 2 - 5 and Mobile, AL November 6 - 9. They are very busy soliciting presentations and scheduling training opportunities that will benefit you in your workplace and professional career. Want to be a part of something great? Submit a presentation today and share your knowledge with other schools. Check out the [Presenter's Resources](#) page for topic ideas and tips. Whether you are new or have presented before, we encourage you to participate in this year's conferences. CoHEsion Summit not only offers presentations and training sessions on all Banner modules, but we are also looking for those Process Improvement Initiatives that you have found to be successful on your campus. Be a part of what makes CoHEsion Summit great and submit your ideas today! Go to [Submit Presentation](#) on our website and submit your information.

**CoHEsion Summit - The Conference
You Want to Attend!**

CoHEsion Summit is the best value around! The conference registration fee is only \$425. Other national conferences charge up to \$995!

Many of the sessions presented at CoHEsion Summit are similar to sessions offered at Ellucian Live. The quality is still there, but there are fewer people to compete with to get your questions answered! The conferences provide a great networking environment to allow you to make contacts that you may consult with when you return to your office. In addition, we offer many intensive, and in some cases, hands-on training classes before or after the conference for a minimal additional fee.

CoHEsion Summit is definitely the conference you don't want to miss! We hope to see you in Baltimore or Mobile in the fall.

CoHEsion Summit 2017 - Baltimore, MD
