CALL FOR PRESENTATIONS IS STILL OPEN

Summer is here and our Fall conferences are right around the corner. The program committees for both CoHEsion Summit Baltimore and CoHEsion Summit Mobile have been working hard to put together two great events, but we still need some help from you.

There are still presentation spots available at each conference and we want you to consider submitting a presentation or hands-on training class and sharing your valuable knowledge and experience with our community. Check out the [Presenter's Resource](#) page for more information.

Each presenter will be eligible for a drawing to win a free registration for one of the 2018 CoHEsion Summit conferences. One free registration will be given away at each conference.

BARTON/NELSON LEADERSHIP AWARD NOMINATIONS

We need your help! Annually CoHEsion presents awards to honor members who have exhibited outstanding leadership and/or service to our community.

Nominations for the Barton/Nelson Leadership/Service awards are now being accepted. Please follow the link below to nominate a CoHEsion member who has demonstrated outstanding leadership and/or service to our organization.
