CoHEsion Summit - Irving TX

Sept 30 - Oct 2 2024

Call for Nominations: Join the CoHEsion Board of Directors!

Have you ever wondered about joining the CoHEsion Board of Directors? Or maybe you are curious about what Board members would say about their time on the Board? Several Board members past and present were asked a few questions and this is what they had to say:

Bob Landuyt was asked, "Why did you want to join the Board?" He responded, "I was looking for a way to assist in continuing the great work that CoHEsion does. I always felt it is easier to enact change from the inside and not being a spectator looking in." When Stephanie Workman was asked, "What is a favorite conference experience you have had?" She replied, "My favorite part of the CoHEsion conferences are the intimacy of the settings and the ability to network with other institutions. Building relationships with peers and helping each other solve problems is a great way that this community engages with each other."

Bobbie Brown offered this reply when asked, "How has serving on the Board enriched your personal or professional life?" "Serving on the board has very much enriched my professional and personal life! Some of the people I've met through CoHEsion have become life-long friends. It's always the human element of any positive endeavor that makes us so much better than we were before!"

Carole Wardroup was asked to describe the camaraderie and sense of teamwork among board members and how it contributes to the overall effectiveness of the organization. She shared the following: "I feel the board is very good at identifying and utilizing the unique strengths of each board member to provide the best possible leadership for the organization."

Joe Belnap offered the following advice for someone considering joining the Board. "My advice to those wanting to get involved is to first and foremost attend the conference and participate in the activities. You will soon recognize that you are among friends who all want to succeed, but not as a competitor, rather as teammates. Yes, the connections have proven to be invaluable. However, much more than that, volunteering to present, and later serve in various positions, has only solidified that conviction that this is a group that is dedicated to helping others succeed and I will always treasure the bonds that have been built as a result of serving alongside such wonderful

companions.”

We are currently seeking nominations for the CoHEsion Board of Directors! Individuals may nominate themselves or be nominated by a CoHEsion member. CoHEsion offers a variety of opportunities for the Banner user community and provides an independent voice for all Banner users.

To nominate an individual or to express personal interest in serving, complete the Board of Directors Nomination Form. The deadline for nominations is June 30, 2024.
