

CoHEsion Summit - The Conference You Want to Attend!

Join us for the 2023 CoHEsion Summit in Kansas City!

## CoHEsion Summit

September 25 - 27

Registration OPEN!

## Call for Presentations is Now Open

Submit a Presentation!

The Conference Program Committee Leadership is already hard at work preparing for CoHEsion Summit 2023. Submit a presentation today and prepare to share your knowledge with other Banner users. Check out the **Presenter's Resources** page for topic ideas and tips. Be a part of what makes CoHEsion Summit great and submit your ideas today!

Presidential Award Winner

**Dean Hamann**  
*Stark State University*

The 2022 recipient of the Presidential Service Award has been a long time committee member at CoHEsion Summit.

The Presidential Service Award is designed to recognize those with notable and ongoing service, vision, leadership, and commitment to CoHEsion. Dean is the perfect example of these qualities.

“Dean has served as an outstanding committee member for CoHEsion for several years. He is very active in the professional communities and always willing to help, usually being the first to respond.”

“You could say he is a “How to Guru” in the Technical community and one of the most respected DBA’s in the country.”

Please join us in congratulating the 2022 Presidential Service Award winner, Dean Hamann!

**Volunteers Needed!**

## CoHEsion Sub-Committee Members Needed

Would you like to volunteer for a CoHEsion sub-committee? We have the following two opportunities:

- Board Election
- Membership/Marketing

**Volunteer Now!**

## CoHEsion 2022: Conference Highlights

**Thank you** to those who completed the 2022 CoHEsion Conference Evaluation! We read and consider each comment. Below are some of the things attendees liked about the conference:

"The opportunity to learn tips directly from vendors, such as Evisions with their Argos product. I use Argos regularly, so it was nice to learn about how to get the most out of it straight from the source. It was also nice to learn about other software that my school may be interested in, in a face-to-face format. It was very engaging."

"All the schools coming together to help each other solve issues and help improve their processes."

"The sessions and the networking! Being able to discuss pros/cons and dos/don'ts with those "in the trenches" is invaluable! And the hotel food was fantastic this year!"

"The venue AND the first-hand interaction with peers and presenters. It was a nice, personal conference without being overwhelming. The food was top-notch!"

"It was one of the best conferences I have attended."

"I really enjoyed my first experience at CoHEsion - thank you!!"

## CONGRATULATIONS!

### 2022 Presenter Drawing for a FREE 2023 CoHEsion Summit Registration

Congratulations, **Andrew Grunbaum** from the University of Tennessee Knoxville! He wins a free 2023 CoHEsion Summit registration to Kansas City in September! Andrew was the Lead Presenter for the 2022 session titled, *Automatic Summer Awarding*.

### 2023 Evisions Conference

Are you using an **Evisions** solution (Argos, FormFusion, or IntelleCheck) to simplify workflows, eliminate manual and redundant processes, and increase productivity? If so, CoHEsion would like to extend an invitation to attend **Evisions Conference 2023**.

The past few years have uncovered new, and highlighted existing, challenges within Higher Education. That is why, with the theme of *Building Today for the Higher Education of Tomorrow*, the Evisions Conference will serve as a launch point for everyone working together to meet those challenges head on. You'll learn what Evisions is doing to better serve you as data stewards, and what your peers are accomplishing as administrators of their institutional data.

CoHEsion members receive a 20% discount! Email [events@evisions.com](mailto:events@evisions.com) to receive the 20% discount.
