### Presidential Service Award Winner

The Presidential Service Award is designed to recognize those with notable and ongoing service, vision, leadership,

and commitment to CoHEsion. This year's recipient is the perfect example of all of these qualities.

*"Dee has been a long-time committee member - covering multiple tracks. A presenter and attendee favorite, she keeps in constant contact with her presenters, offering both help and advice and can often be found at the registration desk ready to lend a hand. Taking on extra duties, piloting new initiatives, and being ever-ready to help, Dee is an essential part of the success of not only CoHEsion St. Louis, but Savannah, Baltimore, Louisville...and the list goes on."*

Please join us in congratulating our 2020 Presidential Service Award Winner:

**Alexa Galle**
