**Re: Boca Lakes Condominium Association, Inc.
Our File No.: 207**

Dear Mr. Braten:

This law firm represents a group of owners in the community seeking to recall the sitting board of Boca Lakes Condominium Association, Inc. (the "Association"). Enclosed please find 253 recall ballots recalling a majority of the Board.

Under Florida law, a majority of the owners must submit a written recall agreement/ballot to successfully recall one or more members of the Board. Since there are 448-unit condominium association and my client has received 252 recall ballots, the enclosed recall ballots satisfy the requirement that the recall must be approved by a majority of the owners.

Please note that the Association must duly notice and hold a meeting of the board within 5 full business days after receipt of the agreement in writing where the Board must certify the recall, in which case such director(s) shall be recalled effective immediately and shall turn over to the Board within 5 full business days any and all records and property of the Association in their possession.

Very truly yours,

/s/ *Lindsay E. Raphael*
