COURSE DESCRIPTIONS

THURSDAY, MARCH 13, 2025

7:15am - 7:30am PST / 10:15am – 10:30am EST

Welcome

7:30am – 10:45am PST/10:30am – 1:45pm EST

SESSION 1: Evidence-Informed School-Based OT Evaluations Workshop

Facilitators: *Alicia Stufoso MOTR/L & Lisa Nye MA OTR/L*

Presenters: *Morgan Webb MOT, OTR/L - WPS*

Level: Introductory

Contact Hours: 3

Description: Ensure that you are making the best decisions during your evaluation process. This course begins with a discussion regarding the documents that guide our evaluation process as school-based OTs, enabling you to be certain that your evaluation decision-making aligns with IDEA, best practice, and other current evidence. Learn about current and upcoming evaluation tools. But don't worry, this course is NOT a 3-hour presentation of evidence and theory! You will have the opportunity to participate in engaging, interactive activities that allow you to apply the information presented.

Learning Objectives:

1. *Identify and recall the content of guiding documents and guidelines that guide the completion of school-based occupational therapy evaluations and written reports.*
2. *Analyze complex or difficult situations related to writing evaluation reports and making service recommendations based on evaluation results and apply evidence-informed solutions.*

10:45am – 11:15am PST / 1:45pm – 2:15pm EST

BREAK

11:15am – 2:30pm PST / 2:15pm – 5:30pm EST

SESSION 2: Evidence-Informed Treatment Delivery Workshop

Facilitators: *Alicia Stufoso MOTR/L & Elisabeth Nye MA OTR/L*

Presenters: *Alicia Stufoso - Topic: Embedded Therapy*

Level: Introductory

Contact Hours: 3

Description: Is your school-based treatment delivery supported by current evidence? You may be surprised! This course includes a discussion of current evidence regarding service delivery, strategies for implementing evidence-informed service delivery, and engaging interactive activities that allow you to practice applying learned strategies and develop a plan to incorporate them into your own practice.

Learning Objectives:

Learners will:

1. *Examine the use of evidence-informed strategies to overcome common challenges encountered in utilizing evidence-informed delivery models in school-based OT practice.*
2. *Demonstrate the ability to select evidence-informed treatment approaches to address deficits in two skill areas commonly addressed by occupational therapists in the school setting.*

FRIDAY, MARCH 14, 2025

7:15am - 7:30am PST / 10:15am – 10:30am EST

Welcome

7:30am – 10:45am PST/10:30am – 1:45pm EST

SESSION 3: IEPs and Legal Issues Workshop

Facilitators: *Alicia Stufoso MOTR/L & Elisabeth Nye MA OTR/L*

Panel Members: *Cindy Yount, Attorney*

Level: Intermediate

Contact Hours: 3

Description: This course is beneficial for school-based therapists at any level, whether you need to build your IEP reporting skills or you just need to hone your skills. Building confidence begins with a better understanding of the guiding documents that lay the foundation for the IEP process, followed by the opportunity to learn AND PRACTICE USING evidence-informed strategies to overcome difficult IEP situations. This session also includes one of the most popular features of our conference...the Ask the Experts Panel! During this panel, learners have the opportunity to submit questions and have them addressed by a panel of specialists who have extensive experience with the IEP process and procedural issues.

Learning Objectives:

1. *Identify evidence-informed strategies to overcome common challenges encountered when presenting evaluation results and recommendations in an IEP meeting.*
2. *Analyze complex or difficult situations related to reporting in an IEP meeting and apply evidence-informed IEP reporting strategies.*

10:45am – 11:15am PST / 1:45pm – 2:15pm EST

BREAK

11:15am – 2:30pm PST / 2:15pm – 5:30pm EST

SESSION 4: Future Trends in School-Based OT Presentations

Level: Introductory

Contact Hours: 3

Presenters:

Renee Keny - Topic: AI and School-Based OT

Francielle Pineda MPA, MS, OTR/L - NBCOT

Description: Join us for a glimpse into exciting trends, from tech innovations to new treatment approaches, and discover how these changes could shape your practice. Gain fresh insights and ideas to stay ahead of the curve.

Learning Objectives:

1. *Identify and define three of the presented future school-based OT trends.*
2. *When presented with a typical treatment scenario, learners will select the most appropriate presented trend/ strategy to be utilized.*
