NOTICE-AND-ACCESS

Notice is also hereby given that the Company has decided to use the notice-and-access method of delivery of meeting materials for the Meeting for beneficial owners of common shares of the Company (the "**Non-Registered Holders**") and for registered shareholders. The notice-and-access method of delivery of meeting materials allows the Company to deliver the meeting materials over the internet in accordance with the notice-and-access rules adopted by the Ontario Securities Commission under National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Under the notice-and-access system, registered shareholders will receive a form of proxy and the Non-Registered Holders will receive a voting instruction form enabling them to vote at the Meeting. However, instead of a paper copy of the notice of Meeting, the management information circular, the annual financial statements of the Company for the financial period ended December 31, 2017 and related management's discussion and analysis and other meeting materials, if applicable (collectively the "**Meeting Materials**"), shareholders receive a notification with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing the Meeting Materials to shareholders. Shareholders are reminded to view the Meeting Materials prior to voting. The Company will not be adopting stratification procedures in relation to the use of notice-and access provisions.

MANAGEMENT INFORMATION CIRCULAR
As at August 28, 2018

SOLICITATION OF PROXIES

THIS MANAGEMENT INFORMATION CIRCULAR ("CIRCULAR") IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY MANAGEMENT OF GENERIC GOLD CORP. (the "**Company**") of proxies to be used at the annual meeting of shareholders of the Company to be held on Thursday, October 4, 2018 at the office of Irwin Lowy LLP, Suite 400, 365 Bay Street, Toronto, Ontario M5H 2V1 at the hour of 10:00 a.m. (Eastern time), and at any adjournment or postponement thereof (the "**Meeting**") for the purposes set out in the enclosed notice of meeting (the "**Notice**"). Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, e-mail, facsimile or other proxy solicitation services. In accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), arrangements have been made with brokerage houses and clearing agencies, custodians, nominees, fiduciaries or other intermediaries to send the Company's proxy solicitation materials (the "**Meeting Materials**") to the beneficial owners of the common shares of the Company (the "**Common Shares**") held of record by such parties. The Company may reimburse such parties for reasonable fees and disbursements incurred by them in doing so. The costs of the solicitation of proxies will be borne by the Company. The Company may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Company in favour of the matters set forth in the Notice.

NOTICE-AND-ACCESS

The Company has decided to use the notice-and-access ("**Notice-and-Access**") rules provided under NI 54-101 for the delivery of the Meeting Materials to holders of Common Shares who appear on the records maintained by the Company's registrar and transfer agent as registered holders of Common Shares ("**Registered Shareholders**") and beneficial owners of Common Shares (the "**Non-Registered Holders**") for the Meeting. The Notice-and-Access method of delivery of Meeting Materials allows the Company to deliver the Meeting Materials over the internet in accordance with the Notice-and-Access rules adopted by the Ontario Securities Commission under NI 54-101.

Registered Shareholders will receive a form of proxy and Non-Registered Holders will receive a voting instruction form, enabling them to vote at the Meeting. However, instead of a paper copy of the Meeting Materials, shareholders receive only a notice with information on the date, location and purpose of the Meeting, as well as information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing the Meeting Materials to shareholders. Shareholders are reminded to view the Meeting Materials prior to voting. Materials can be viewed online under the Company's profile at www.sedar.com or at www.genericgold.ca. The Meeting Materials will remain posted on the Company's website at least until the date that is one year after the date the Meeting Materials were posted. The Company will not be adopting stratification procedures in relation to the use of Notice-and-Access provisions.

Shareholders may always request paper copies of the Meeting materials be sent to them by postal delivery at no cost to them. Requests may be made up to one year from the date the Meeting Materials are posted on the Company's website. In order to receive a paper copy of the Meeting Materials or if you have questions concerning Notice-and-Access, please call Capital Transfer Agency Ulc at **(416) 350-5007**. Requests should be received by **September 27, 2018** in order to receive the Meeting Materials in advance of the Meeting date.

APPOINTMENT AND REVOCATION OF PROXIES

A holder of Common Shares who appears on the records maintained by the Company's registrar and transfer agent as a registered holder of Common Shares (each a "**Registered Shareholder**") may vote in person at the Meeting or may appoint another person to represent such Registered Shareholder as proxy and to vote the Common Shares of such Registered Shareholder at the Meeting. In order to appoint another person as proxy, a Registered Shareholder must complete, execute and deliver the form of proxy accompanying this Circular, or another proper form of proxy, in the manner specified in the Notice.

The purpose of a form of proxy is to designate persons who will vote on the shareholder's behalf in accordance with the instructions given by the shareholder in the form of proxy. The persons named in the enclosed form of proxy are officers or directors of the Company. **A REGISTERED SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE COMPANY, TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO BY FILLING IN THE NAME OF SUCH PERSON IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER PROPER FORM OF PROXY.** A Registered Shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed form of proxy with the Company's transfer agent and registrar, Capital Transfer Agency Ulc (the "**Transfer Agent**"), not later than 10:00 a.m. (Eastern time) on Tuesday, October 2, 2018 or, if the Meeting is adjourned, not later than 48 hours, excluding Saturdays, Sundays and holidays, preceding the time of such adjourned Meeting at which the form of proxy is to be used. A form of proxy should be executed by the Registered Shareholder or his or her attorney duly authorized in writing or, if the Registered Shareholder is a corporation, by an officer or attorney thereof duly authorized.

A Registered Shareholder attending the Meeting has the right to vote in person and, if he or she does so, his or her form of proxy is nullified with respect to the matters such person votes upon at the Meeting and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

A Registered Shareholder who has given a form of proxy may revoke the form of proxy at any time prior to using it by: (a) depositing an instrument in writing, including another completed form of proxy, executed by such Registered Shareholder or by his or her attorney authorized in writing or, if the Registered Shareholder is a corporation, by an authorized officer or attorney thereof, to (i) the registered office of the Company, located at Suite 1660, 141 Adelaide St. West, Toronto, Ontario M5H 3L5, at any time prior to 5:00 p.m. (Eastern time) on the last business day preceding the day of the Meeting or any adjournment thereof or (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or (b) any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the Registered Shareholder on any ballot that may be called for and, if a Registered Shareholder specifies a choice with respect to any matter to be acted upon at the meeting, the Common Shares represented by the proxy shall be voted accordingly. Where no choice is specified, the proxy will confer discretionary authority and will be voted for the election of directors, for the appointment of auditors and the authorization of the directors to fix their remuneration.

The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice and with respect to other matters which may properly come before the Meeting in such manner as such nominee in his judgment may determine. At the time of printing this Circular, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

ADVICE TO NON-REGISTERED SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders of the Company do not hold Common Shares in their own name. Only Registered Shareholders or the persons they appoint as their proxies are permitted to attend and vote at the Meeting and only forms of proxy deposited by Registered Shareholders will be recognized and acted upon at the Meeting. Common Shares beneficially owned by a beneficial holder of Common Shares who does not appear on the records maintained by the Corporation's registrar and transfer agent as a registered holder of Common Shares (each a "**Non-Registered Holder**") are registered either: (i) in the name of an intermediary (an "**Intermediary**") with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) (each a "**Clearing Agency**") of which the Intermediary is a participant. Accordingly, such Intermediaries and Clearing Agencies would be the Registered Shareholders and would appear as such on the list maintained by the Transfer Agent. Non-Registered Holders do not appear on the list of the Registered Shareholders maintained by the Transfer Agent.

Distribution of Meeting Materials to Non-Registered Holders

In accordance with the requirements of NI 54-101, the Company has distributed copies of the Meeting Materials to the Clearing Agencies and Intermediaries for onward distribution to Non-Registered Holders as well as directly to NOBOs (as defined below).

Non-Registered Holders fall into two categories - those who object to their identity being known to the issuers of securities which they own ("**OBOs**") and those who do not object to their identity being made known to the issuers of the securities which they own ("**NOBOs**"). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials to such NOBOs. If you are a NOBO and the Company or its agent has sent the Meeting Materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the Common Shares on your behalf.

The Company's OBOs can expect to be contacted by their Intermediary. The Company does not intend to pay for Intermediaries to deliver the Meeting Materials to OBOs and it is the responsibility of such Intermediaries to ensure delivery of the Meeting Materials to their OBOs.

Voting by Non-Registered Holders

The Common Shares held by Non-Registered Holders can only be voted or withheld from voting at the direction of the Non-Registered Holder. Without specific instructions, Intermediaries or Clearing Agencies are prohibited from voting Common Shares on behalf of Non-Registered Holders. Therefore, each Non-Registered Holder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

The various Intermediaries have their own mailing procedures and provide their own return instructions to Non-Registered Holders, which should be carefully followed by Non-Registered Holders in order to ensure that their Common Shares are voted at the Meeting.

Non-Registered Holders will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

Voting Instruction Form. In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form (a "**VIF**"). If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the VIF must be completed, signed and returned in accordance with the directions on the form.

or,

Form of Proxy. Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the Non-Registered Holder must complete and sign the form of proxy and in accordance with the directions on the form.

Voting by Non-Registered Holders at the Meeting

Although a Non-Registered Holder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of an Intermediary or a Clearing Agency, a Non-Registered Holder may attend the Meeting as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder and vote such Common Shares as a proxyholder. A Non-Registered Holder who wishes to attend the Meeting and to vote their Common Shares as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder, should (a) if they received a VIF, follow the directions indicated on the VIF; or (b) if they received a form of proxy strike out the names of the persons named in the form of proxy and insert the Non-Registered Holder's or its nominees name in the blank space provided. Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those instructions regarding when and where the VIF or the form of proxy is to be delivered.

All references to shareholders in the Meeting Materials are to Registered Shareholders as set forth on the list of registered shareholders of the Company as maintained by the Transfer Agent, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Company consists of an unlimited number of Common Shares without par value and an unlimited number of preferred shares without par value. As of August 20, 2018 (the "**Record Date**"), there were a total of 37,492,365 Common Shares issued and outstanding and no preferred shares issued and outstanding. Each Common Share outstanding on the Record Date carries the right to one vote at the Meeting.

Only Registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting. On a show of hands, every Registered Shareholder and proxy holder will have one vote and, on a poll, every Registered Shareholder present in person or represented by proxy will have one vote for each Common Share held.

To the knowledge of the Company's directors and executive officers, as of the date hereof, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares, other than as set forth below:

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Board determines the compensation payable to the directors of the Company and reviews such compensation periodically throughout the year. For their role as directors of the Company, each director of the Company who is not a Named Executive Officer may, from time to time, be awarded stock options under the provisions of the Stock Option Plan. There are no other arrangements under which the directors of the Company who are not Named Executive Officers were compensated by the Company or its subsidiaries during the most recently completed financial year end for their services in their capacity as directors of the Company.

Compensation of Named Executive Officers

Principles of Executive Compensation

The Company believes in linking an individual's compensation to his or her performance and contribution as well as to the performance of the Company as a whole. The primary components of the Company's executive compensation are base salary and option-based awards. The Board believes that the mix between base salary and incentives must be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances. The overall goal is to successfully link compensation to the interests of the shareholders. The following principles form the basis of the Company's executive compensation program:

1. align interest of executives and shareholders;
2. attract and motivate executives who are instrumental to the success of the Company and the enhancement of shareholder value;
3. pay for performance;
4. ensure compensation methods have the effect of retaining those executives whose performance has enhanced the Company's long term value; and
5. connect, if possible, the Company's employees into principles 1 through 4 above.

The Board is responsible for the Company's compensation policies and practices. The Board has the responsibility to review and make recommendations concerning the compensation of the directors of the Company and the Named Executive Officers. The Board also has the responsibility to make recommendations concerning annual bonuses and grants to eligible persons under the Stock Option Plan. The Board also reviews and approves the hiring of executive officers.

Base Salary

The members of the Compensation Committee approve the salary ranges for the Named Executive Officers. The base salary review for each Named Executive Officer is based on assessment of factors such as current competitive market conditions, compensation levels within the peer group and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. Comparative data for the Company's peer group is also accumulated from a number of external sources including independent consultants. The Company's policy for determining salary for executive officers of the Company is consistent with the administration of salaries for all other employees.

Annual Incentives

The Company is not currently awarding any annual incentives by way of cash bonuses. However, the Company, in its discretion, may award such incentives in order to motivate executives to achieve short-term corporate goals. The Board approves annual incentives.

The success of Named Executive Officers in achieving their individual objectives and their contribution to the Company in reaching its overall goals are factors in the determination of their annual bonus. The Board assesses each Named Executive Officers' performance on the basis of his or her respective contribution to the achievement of the predetermined corporate objectives, as well as to needs of the Company that arise on a day to day basis. This assessment is used by the Board in developing its recommendations with respect to the determination of annual bonuses for the Named Executive Officers.

Compensation and Measurements of Performance

It is the intention of the Board to approve targeted amounts of annual incentives for each Named Executive Officer during each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day to day corporate activities, will trigger the award of a cash bonus to the Named Executive Officers. The Named

Executive Officers will receive a partial or full cash bonus depending on the number of the predetermined targets met and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any cash bonus payment if they consider them to be appropriate.

Long Term Compensation

The Company currently has no long-term incentive plans, other than stock options granted from time to time by the Board under the provisions of the Stock Option Plan.

Pension Disclosure

There are no pension plan benefits in place for the Named Executive Officers or the directors of the Company.

Termination and Change of Control Benefits

The Company does not have in place any pension or retirement plan. The Company has not provided compensation, monetary or otherwise, during the preceding fiscal year, to any person who now acts or has previously acted as a Named Executive Officer or director of the Company in connection with or related to the retirement, termination or resignation of such person. The Company has not provided any compensation to such persons as a result of a change of control of the Company, its subsidiaries or affiliates.

Reliance on Exemptions in NI 52-110 regarding

***De Minimis* Non-audit Services or on a Regulatory Order Generally**

Since the commencement of the Company's most recently completed financial year, the Company has not relied on:

1. the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Company's auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Company, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year's audit); or
2. an exemption from the requirements of NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (*Exemptions*) of NI 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter.

Audit Fees

The following table provides details in respect of audit, audit related, tax and other fees billed by the external auditor of the Company for professional services rendered to the Company during the fiscal years ended December 31, 2017 and December 31, 2016:

	Audit Fees (\$)	Audit-Related Fees (\$)	Tax Fees (\$)	All Other Fees (\$)
Year ended December 31, 2017	\$22,000	Nil	Nil	Nil
Year ended December 31, 2016	\$4,500	Nil	Nil	Nil

Audit Fees – aggregate fees billed for professional services rendered by the auditor for the audit of the Company's annual financial statements as well as services provided in connection with statutory and regulatory filings.

Audit-Related Fees – aggregate fees billed for professional services rendered by the auditor and were comprised primarily of audit procedures performed related to the review of quarterly financial statements and related documents.

All Other Fees – aggregate fees billed for professional services which included accounting advice.

REPORT ON CORPORATE GOVERNANCE

The Company believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 - *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (collectively the "**Governance Guidelines**") of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. The Company will continue to review and implement corporate governance guidelines as the business of the Company progresses and becomes more active in operations.

The following disclosure is required by the Governance Guidelines and describes the Company's approach to governance and outlines the various procedures, policies and practices that the Company and the Board have implemented.

Board of Directors

The Board is currently composed of four directors. Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)* ("**Form 58-101F2**") requires disclosure regarding how the Board facilitates its exercise of independent supervision over management of the Company by providing the identity of directors who are independent and the identity of directors who are not independent and the basis for that determination. NI 52-110 provides that a director is independent if he or she has no direct or indirect "material relationship" with the company. "Material relationship" is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. In addition, under NI 52-110, an individual who is, or has been within the last three years, an employee or executive officer of an issuer, is deemed to have a "material relationship" with the issuer. Accordingly, of the proposed director nominees, Mr. Christie, the Chief Financial Officer and Corporate Secretary of the Company is considered not to be "independent". The remaining three proposed director nominees are considered by the Board to be "independent" within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the Board has examined the circumstances of each director in relation to a number of factors.

Directorships

The following table sets forth the directors, and proposed directors, of the Company who currently hold directorships with other reporting issuers:

Name of Director	Reporting Issuer
Donald Christie	Norvista Capital Corporation, Nevada Zinc Corporation, Rockcliff Metals Corporation, Northern Graphite Corporation
Bruce Durham	Norvista Capital Corporation, Nevada Zinc Corporation, Rockcliff Metals Corporation, Mineral Alamos Inc.
Victor Cantore	Amex Exploration Inc., Canadian Metals Inc., Inspiration Mining Corporation, Vision Lithium Inc., Ninitinat Minerals Corporation

Orientation and Continuing Education

The Board does not have a formal orientation or education program for its members. The Board's continuing education is typically derived from correspondence with the Company's legal counsel to remain up to date with developments in relevant corporate and securities law matters. Additionally, historically board members have been nominated who are familiar with the Company and the nature of its business.

Ethical Business Conduct

The Board has not adopted guidelines or attempted to quantify or stipulate steps to encourage and promote a culture of ethical business conduct, but does promote ethical business conduct through the nomination of Board members it considers ethical, through avoiding or minimizing conflicts of interest, and by having at least two of its Board members independent of corporate matters.

Nomination of Directors

The recruitment of new directors has generally resulted from recommendations made by directors and shareholders. The assessment of the contributions of individual directors has principally been the responsibility of the Board. Prior to standing for election, new nominees to the Board of directors are reviewed by the entire Board.

Other Board Committees

The Company has established three Board committees, the Audit Committee, the Nominating Committee and the Compensation Committee.

Assessments

Currently the Board has not implemented a formal process for assessing directors.

OTHER MATTERS

The management of the Company knows of no other matters to come before the Meeting other than as set forth in the Notice of Meeting. **However, if other matters which are not known to management should properly come before the Meeting, the accompanying term of proxy will be voted on such matters in accordance with the best judgment of the person or persons voting the proxy.**

- identify and monitor the management of the principal risks that could impact the financial reporting of the Company;
- make recommendations to the Board regarding the appointment, terms of engagement and compensation of the external auditor;

- receive the report of the external auditors, who must report directly to the Committee; and
- provide an avenue of communication among the Company’s external auditors, management, and the Board.

Composition and Qualifications

All Committee members shall meet all applicable requirements prescribed under the *Business Corporations Act* (Ontario), as well as any requirements or guidelines prescribed from time to time under applicable securities legislation, including National Instrument 52-110 as amended, restated or superseded. The Committee shall be comprised of not less than three directors as determined from time to time by the Board. Each member shall be a director and a majority of the members shall be independent directors who are free from any direct or indirect relationship that would, in the view of the Board, reasonably interfere with the exercise of the member’s independent judgment. While it is not necessary for members to have a comprehensive knowledge of generally accepted accounting principles and standards, all members of the Committee shall be “financially literate” so as to be able to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the issues raised by the Company’s financial statements. A director who is not financially literate may be appointed to the Committee by the Board provided that such director becomes financially literate within a reasonable period following his or her appointment, and provided that the Board has determined that such appointment will not materially adversely affect the ability of the Committee to act independently.

Committee members shall be appointed by the Board. The Board shall designate the Chair of the Committee. If a Chair is not designated or present at any meeting, the members of the Committee may designate a Chair by majority vote. The Chair shall have responsibility for ensuring that the Committee fulfills its mandate and duties effectively.

Each member of the Committee shall continue to be a member until a successor is appointed, unless the member resigns, is removed or ceases to be a director. The Board may fill a vacancy at any time.

Meetings

The Committee shall meet at least four times annually, or more frequently as circumstances dictate, and at least once in each fiscal quarter. A notification for each of the meetings shall be disseminated to Committee members two days prior to each meeting. A majority of the members of the Committee shall constitute a quorum for meetings.

An agenda shall be prepared by the Chair of the Committee as far in advance of each meeting as reasonably practicable. Minutes of all meetings of the Committee shall be prepared as soon as possible following the meeting and submitted for approval at or prior to the next following meeting.

The Committee should meet privately at least once per year with management of the Company, the Company's external auditors, and as a committee to discuss any matters that the Committee or any of these groups believe should be discussed.

Specific Responsibilities and Duties

Specific responsibilities and duties of the Committee shall include, without limitation, the following:

General Review Procedures

1. Review and reassess the adequacy of this Charter at least annually and submit any proposed amendments to the Board for approval.
2. Review the Company's annual audited financial statements, related MD&A, and other documents prior to filing or distribution of such documents or issuing a press release in respect of the financial statements and MD&A. Review should include discussion with management and external auditors of significant issues regarding accounting principles, practices, and significant management estimates and judgments.
3. Annually, in consultation with management and external auditors, consider the integrity of the Company's financial reporting processes and controls. Discuss significant financial risk exposures and the steps management has taken to monitor, control and report such exposures. Review significant findings prepared by the external auditors and the internal auditing department together with management's responses.
4. Review the effectiveness of the overall process for identifying the principal risks affecting financial reporting and provide the Committee's views to the Board of Directors.
5. Review with financial management and the external auditors the Company's quarterly financial results, related MD&A and other documents prior to the filing or distribution of such documents or issuing a press release in respect of the financial statements and MD&A. Discuss any significant changes to the Company's accounting principles. The Chair of the Committee may represent the entire Committee for purposes of this review.

External Auditors

6. The external auditors are ultimately accountable to the Committee, as representatives of the shareholders. The external auditors must report directly to the Committee, who shall review the independence and performance of the auditors and annually recommend to the Board the appointment of the external auditors or approve any discharge of auditors when circumstances warrant. The Committee shall approve the compensation of the external auditors.
7. The Committee must approve all non-audit and non-tax services to be provided to the Company or its subsidiary entities, unless such non-audit and non-tax services are reasonably expected to constitute not more than twenty (20) percent of the total fees paid by the Company to the external auditor during the particular fiscal year.
8. On an annual basis, the Committee should review and discuss with the external auditors all significant relationships they have with the Company that could impair the auditors' independence.
9. Review the external auditors' audit plan and discuss and approve the audit scope, staffing, locations, reliance upon management, and general audit approach.
10. Prior to releasing the year-end earnings, discuss the results of the audit with the external auditors. Discuss any matters that are required to be communicated to audit committees in accordance with the standards established by the Canadian Institute of Chartered Accountants.
11. Consider the external auditors' judgments about the quality and appropriateness of the Company's accounting principles as applied in the Company's financial reporting.

Legal Compliance

12. On at least an annual basis, review with the Company's counsel any legal matters that could have a significant impact on the organization's financial statements, the Company's compliance with applicable laws and regulations and inquiries received from regulators or governmental agencies.

Other Miscellaneous Responsibilities

13. Annually assess the effectiveness of the Committee against its Mandate and report the results of the assessment to the Board.
14. Prepare and disclose a summary of the Mandate to shareholders.

1. delegate approval-granting authority to pre-approve non-audit services by the external auditor to one or more of its members;
2. engage independent counsel and other advisors as it determines necessary to carry out its duties;
3. set and pay the compensation for any advisors employed by the Committee;
4. communicate directly with the external auditors;

Reporting

The Committee shall report its deliberations and discussions regularly to the Board and shall submit to the Board the minutes of its meetings.

Resources

The Committee shall have full and unrestricted access to all of the Company's books, records, facilities and personnel as well as the Company's external auditors and shall have the authority, in its sole discretion, to conduct any investigation appropriate to fulfilling its responsibilities. The Committee shall further have the authority to retain, at the Company's expense, such special legal, accounting or other consultants or experts as it deems necessary in the performance of its duties and to request any officer or employee of the Company or the Company's external counsel or auditors to attend a meeting of the Committee.

Limitation on the Oversight Role of the Committee

Nothing in this Charter is intended, or may be construed, to impose on any member of the Committee a standard of care or diligence that is in any way more onerous or extensive than the standard to which all members of the Board are subject.

Each member of the Committee shall be entitled, to the fullest extent permitted by law, to rely on the integrity of those persons and organizations within and outside the Company from whom he or she receives information, and the accuracy of the information provided to the Company by such persons or organizations.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and in accordance with generally accepted accounting principles and applicable rules and regulations, each of which is the responsibility of management and the Company's external auditors.
