

The Zentangle Foundation, Inc.

Grant Application

Through the generosity of our worldwide Zentangle community, The Zentangle Foundation, Inc. can offer some limited financial and material support to individuals or qualified non-profit organizations seeking to integrate the Zentangle Method within their organization or into the communities they serve. We can also provide financial and material assistance to qualified non-profit organizations engaged in research concerning the Zentangle Method.

Please complete this form and answer the open response question on additional pages.
