INTERACTIVE TERMINAL CONSULTANTS, INC

CAPABILITY STATEMENT

Established in 1995, ITCI offers expert technology services and solutions to assess, manage, maintain, integrate, and engineer information systems in order to collaboratively achieve the goals of our customers.

We specialize in risk, security and compliance: strategic, analytical, and technical risk management and cyber security services in the areas of security and privacy program management and governance.

We are independent from any cybersecurity vendors meaning we offer customized solutions to advise you freely of any conflicts of interest.
