Banquet committee reported that Nov. 2nd date is locked in with Redmond Eagles.

Picnic committee reported that everything is looking good. We discussed the budget for the picnic and decided on approx. \$1,500 but that is a guideline only.

All 3 venues have the banners up now.

We didn't have anyone there that needed scorekeeping training so Kris Hulings left.

We discussed a golf event to be arranged by Tom Rignow (probably in September)

We discussed a bowling event to be arranged by Don Hulings (probably in August).

It was agreed that we covered most everything we could think of, Katrina came just after the meeting adjourned and collected all monies that were due.

No firm date was set for the next meeting, we may not need one until the picnic.

Meeting adjourned at 1:34 and we started setting up the money games, which were a BIG success. We were able to do 2 games! 20+ players participated and the league kicked in a total of \$100. The Just Left added \$150 total.
